Jim,

This email is in regards to the meeting being held on the above mentioned date in regards to placing stop signs at the corner of Moss & Orinda. I am currently a resident at 1724 Orinda Ct, which is on the corner of Moss & Orinda. I am also a small business owner in the City of Thousand Oaks.

I believe the need for these stop signs arose when a recent neighbor of mine was hit by a vehicle while attempting to cross the road with her dog. I see this neighbor and her husband on a daily basis.

I cannot attend this meeting so I wanted to express my concerns to the City via email.

I am often outside in the front with my 3 year old toddler playing and I am intimately familiar with the vehicle patterns of that corner. In fact, more than any other neighbor, I am out on that corner the most. I don't feel that adding stop signs just on the East & West bound intersections on Orinda would resolve the issue. I rarely see cars speeding on Orinda. Most of the cars speeding are coming from Flores onto Moss heading northbound or headed southbound to Flores from the North end of Moss.

If the goal is to slow down cars then there should either be a 4 way stop sign or add some sort of speed bumps as the vehicles approach the intersection. Again I must reiterate the speeding is occurring on Moss and not on Orinda.

I hope the above sheds some light on these issues. I am available via this email address or my cell phone at (714) 356-1853 at any time to discuss this matter further. Thank you for taking the time to read this email and submit it to the City Council.

Sincerely,

--
Raj
