To ensure everyone's experience on our buses is pleasant, please observe the following guidelines:

- Smoking is not permitted on-board or within 25 feet of any bus stop or bus shelter
- Headphones must be used
- Minimize conversations with the drivers
- Hold small children securely
- Anything brought on-board must remain in your possession and out of aisles at all times
- Non-service animals may be transported on the bus only in a Department of Transportation approved animal carrier that is placed on the passenger's lap

The following are never permitted on buses or vans:

- Open food and beverage containers
- Strollers, walkers, shopping carts, or large items that may block aisles, take up seats, or that a passenger cannot carry, fold, and stow
- Items too numerous to be controlled, carried, or handled by a passenger
- Firearms, weapons, or hazardous materials

Unaccompanied children six and under are not permitted to ride the bus. If a driver suspects a child is under the age of six or appears to lack the cognitive ability (regardless of age) to use the bus system to reach their destination, the child will be denied boarding.

Passenger Code of Conduct

TOT will not provide service to passengers that engage in the behaviors listed below. Violators may be subject to suspension of riding privileges, citation or arrest:

- Threats of harm, assault, or battery on a driver or passenger
- Verbal abuse or harassment including the use of profanity, intimidation, or altercation with a driver or passenger
- Failure to obey a driver's lawful instructions
- Causing damage to the vehicle

Riding the Bus

Please have your fare, pass, or transfer ready before boarding along with identification required for discounted or no-cost fares. If you have questions about stops or need transfers, ask the driver when you board. As a courtesy, please leave the front seats open for elderly and disabled passengers. All buses are ADA compliant. Drivers will assist with boarding and exiting the bus:

Exiting

About a block before your stop press the yellow signaling strip or pull the yellow wire to alert the driver that you wish to exit. Remain seated until the bus has come to a complete stop, and then exit using the center door. For your safety, wait until the bus pulls away before crossing the street. NEVER cross in front of a bus.

TOT works to make our website information and printed materials accessible. In compliance with the Americans with Disabilities Act (ADA), upon request, we will provide transit information in alternative forms through the use of assistive and adaptive technologies where available. To make a request for a reasonable accommodation or for assistance please call (805) 449-2400 or e-mail totransit@toaks.org.
