Advanced reservations are strongly advised and can be made by calling our ride coordinators at (805) 375-5467.

Please have your ADA card number and the exact street address of the destination including apartment or suite numbers when making a reservation.

**Reservations**

Reservations are accepted beginning 30 minutes before and up to 30 minutes after normal operating hours. For your convenience, ADA Dial-A-Ride offers four types of reservations:

- **Subscription, Advanced, Time Call and On Demand.** All pick-up requests must be made 30 minutes before the end of operating hours. Subscription and Advance reservations receive priority scheduling. ADA Dial-A-Ride is a shared service and drivers may make additional stops on the way to your destination. Allow at least one hour between the time pick-up time and the time you need to arrive.
  - **Subscription reservations** are available for riders requiring transportation at the same time of day, to the same location on a recurring basis. Subscriptions are available for up to six months. Riders must call to cancel if a scheduled ride is not required.
  - **Advanced reservations** must be made between one day and two weeks in advance. There is no limit to the number of advanced reservations; however, they are subject to standard wait times between rides.
  - **Time Call reservations** are made for same day transportation and must be reserved at least two hours in advance. Each rider can make three Time Call reservations daily. All Time Call reservations must be made prior to 5:30 p.m. daily. Riders making Advanced and Time Call reservations must allow at least 60 minutes between each reservation.
  - **On Demand requests** for rides without advance notice are limited to two per day. Requests are accepted on weekdays between 7:00 a.m. - 1:00 p.m. and between 3:00 p.m. - 6:00 p.m. and weekends 9:00 a.m. - 6:00 p.m. On Demand rides between 1:00 - 3:00 p.m. weekdays are available only for return rides from medically necessary trips. On Demand riders must wait 30 minutes after drop-off before requesting their next On Demand reservation. The last ride request must be scheduled by 5:30 p.m. All On Demand requests incur a $1.00 convenience fee. The fee will be waived for medically necessary trips when the return time is uncertain.

**No Show and Late Cancellation Policy**

No Shows and Late Cancellations impact our ability to provide on-time service. Reservation privileges for riders who repeatedly make late cancellations or are No Shows may be limited or suspended. A rider who is not ready or declines the ride is considered a No Show. A Subscription or Advanced reservation not cancelled two hours or more in advance or a Time Call or On Demand reservation canceled after the reservation is made is considered a Late Cancellation.

Important ADA Dial-A-Ride Tips

- As a courtesy to other passengers, please be ready to leave at least 10 minutes before the scheduled pick-up time.
- Drivers strive to pick riders up within 15 minutes of the requested time, or within 60 minutes for On Demand requests. Drivers will wait 5 minutes after arriving before leaving for the next location. If you miss a ride you must make a new reservation and may have to wait up to an additional 60 minutes.
- In accordance with ADA regulations, riders may bring one attendant at no charge, and one full fare non-ADA caregiver companion. Seating requests for attendants or companions must be made at the same time a reservation is booked and are available on a space available basis.
- All TOT vehicles are equipped to accommodate riders using mobility devices. Drivers will assist with boarding and exiting the vehicle and will secure mobility devices. Please notify the ride coordinator if you have a mobility device when making a reservation.
- Drivers will assist riders with up to three grocery bags and small items no larger than the size of a standard shopping bag, each weighing 20 pounds or less. For safety reasons, drivers will not transport heavy or bulky items.
- TOT will provide door-to-door service upon request. If assistance is needed from your home to the vehicle and back, alert the ride coordinator when making a reservation. However, drivers are not allowed to change drop off locations, make intermediate stops, or take vehicles through drive-thru lines.
