

THOUSAND OAKS CERTIFIED

GREEN BUSINESS

GET GREEN
CERTIFIED

Businesses that incorporate sustainable practices within their operations can get certified and demonstrate their environmental stewardship to their customers.

Certified businesses receive marketing and publicity by the City of Thousand Oaks in local newspapers, newsletters and the City website as well as window decals to alert shoppers that they are a Certified Green Business. Businesses interested in becoming certified can learn more at www.toaks.org/gogreenbiz.

CERTIFIED GREEN BUSINESSES

have shown their environmental

leadership through the implementation of programs for water conservation, solid waste reduction, energy conservation, and pollution prevention. Demonstrate your support for sustainability by shopping at City of Thousand Oaks Certified Green Businesses. Look for the Certified Green Business logo or find a list of these businesses at www.toaks.org/GoGreen.

CORNWALL SECURITY SERVICES

Protecting the Community & Protecting the Environment

Cornwall Security Services, a fast-growing company in the private security industry, is going green. President Russell Cornwall is as committed to protecting the environment as he is to protecting communities, properties and lifestyles. Even though his business operations are mostly conducted in the field, Cornwall does his part to waste less in the office. By staying efficient and reducing waste for his business and clients, Cornwall can improve his bottom line.

GREEN BUSINESS HIGHLIGHTS: CORNWALL

Energy

- Turn off all non-essential lighting
- Use of light interior colors to maximize illumination
- Use of task lighting and natural light

Waste and Recycling

- Reduce paper waste through electronic billing and report writing
- Electronic parking citation system eliminates hand written carbon-form citations

Pollution Prevention

- Use recycled oil in fuel efficient patrol vehicles
- Use unbleached/chlorine-free paper products
- Use of non-toxic water-based markers
