

**City of Thousand Oaks  
Visioning 2064 Top Ten Guiding Principles**

1. Support the development of various mentoring relationships between business, adults, and youth to develop job skills, life skills, and social development.
2. Foster an environment that allows students to pursue academic excellence in a safe, healthy (physical and mental), and drug and crime-free atmosphere.
3. The City, and its partners, strive to maintain a strong quality life including public safety, education, cultural affairs, health care, open space, and recreation to promote economic vitality.
4. Secure additional long-term funding sources to complete the planned ring of open space and trail system around the City.
5. Continue commitment to being an environmental leader on topics such as climate change adaptation and reduction, zero waste, zero net energy, water use, and greenhouse gas reduction and develop a Climate Action Plan, including allocation of necessary resources.
6. Promote residential responsibility for water conservation.
7. Create a pedestrian friendly downtown.
8. Continue to promote water conservation in the maintenance of City parks and landscaping.
9. Ensure police officers are trained and focused on the need for improved communication skills over physical strength development.
10. Continue to protect the City's data and enhance public awareness of privacy and security issues.
