THOUSAND OAKS TRANSIT BIKES ON BUSES

www.totransit.org

Bikes on Buses

To help cyclists get where they want to go, Thousand Oaks Transit (TOT) provides bike racks on every city bus. Ride the bus to your destination for the same low price you would normally pay, and your bicycle rides for free!

Bike racks on the front of the bus can accommodate up to three, two-wheel bicycles at a time (two at a time on Metrolink Shuttle buses). The rack holds any standard bicycle with a wheel diameter of 16 inches or larger. Tricycles, motorized bicycles, tandem bicycles, and bicycles with child carriers or trailers are not permitted. Bicycles are not permitted inside buses at any time. The bicycle rack is available on a first come, first served basis. If the rack is full, please wait for the next bus.

It's your responsibility to load and unload your bicycle to the rack, but don't worry, it's simple to do. Bus drivers cannot assist with bicycle loading.

Bicycle Storage

Many bus stops and shelters are equipped with bicycle racks, and secure bicycle lockers are available at no cost at the City Transportation Center. TOT is not responsible for damage, theft, or loss of bicycles that may be caused while your bicycle is loaded, unloaded, while it is in the rack or while stored in a rack or locker.

How to Load Your Bicycle

1. Squeeze handle to pull rack down

2. Place bicycle in rack slot

3. Extend arm support

4. Pull over top of front tire

Safety

Your safety is important to us. Please use caution when loading and unloading your bicycle. Always notify the bus driver before loading a bicycle. Load and unload bicycles from the side of the bus nearest the curb. Exit the bus from the front door and advise the bus driver that you will be unloading a bicycle.

How to Unload Your Bicycle

1. Lift up to release front tire

2. Return arm to horizontal position

3. Remove bicycle in rack slot

4. Fold up to lock position

For more information regarding bicycling in the City of Thousand Oaks, please check the Bike Safe website at TOAKS.org/Bike – (805) 449-2400
