

US 101 / SR-23

Freeway Interchange Improvement Project

toaks.org/10123
10123@toaks.org

A Decade in the Making

2000: 23 Freeway Widening and Route 101/23 Interchange Improvements are scheduled for funding by State

2008: Caltrans completes the 23 Freeway Widening Project

2011 & 2012: City applies for TIGER III/IV Grants (unsuccessful)

2013: Funding is obtained. City loan is approved. Contract is awarded.

2000

2005

2008

2009

2011

2012

2013

2005: Planning & Environmental Documents approved. Due to State budget crisis, funds for Route 101/23 Interchange are dropped and design was put on hold

2009: VCTC receives \$6.5 million of ARRA funds for design

2012: Design for project is completed.

Multi-Agency Collaboration

California Department of Transportation (Caltrans)

- Complete Environmental Document
- Manage Project Construction Contract
- Operate / Maintain Corridor Upon Project Completion

City of Thousand Oaks

- Manage Final Design Contract
- Provide Matching Funds for Construction / Construction Engineering
- Public Outreach

Ventura County Transportation Commission (VCTC)

- Countywide Independent Planning Agency
- Implement Regional Transportation Policies & Projects
- Prioritize & Allocate State & Federal Transportation Funds

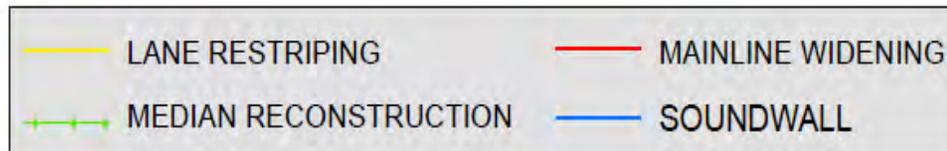

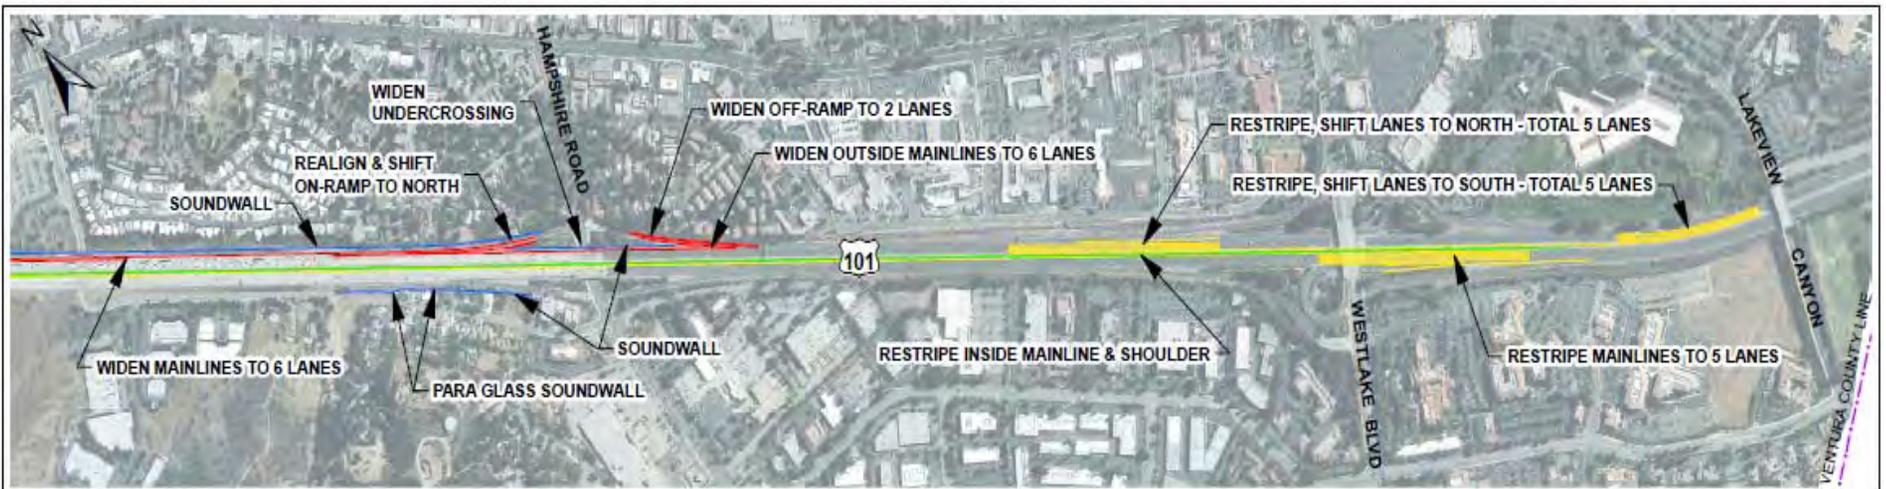

Project Objectives

- Remove the bottleneck at the US 101 / SR-23 Interchange
- Relieve traffic congestion on the 101, between county line and Moorpark Road
- Improve bridge structure seismic strength
- Provide soundwalls to reduce highway noise
- Improve stormwater quality

Project Schedule

MILESTONE	DATE
Design	January 2010 – December 2012
Caltrans Approval	December 2012 – April 2013
CTC Approval	May 2013
Funds Authorization	May 2013 – June 2013
Contract Award	July 2013 – December 2013
Groundbreaking	January 15, 2014
Community Meeting	February 5, 2014
Construction	February 2014 – Early 2016

Community Contacts

City of Thousand Oaks

- **Marisa Campos - Community Liaison**
(805) 371-7766

Caltrans District 7

- **Judy Gish - Public Information Officer**
(213) 897-3487

Community Outreach

- Regular updates to City website
- Constant Contact (emailed updates)
- Press Releases sent to area news outlets
- Changeable message signs near project limits
