ACCOUNT BILL STATEMENT INFORMATION

GENERAL

The Account Bill System is a monthly installment plan that allows our policy clients the option of combining multiple policies onto one account.

ELIGIBILITY

All policies written by CIG with a semiannual or annual premium are eligible for the Installment Pay Plan with the exception of those listed below:

1. Binder Premiums
2. Short-term Policy Premiums
3. Audit Premiums

PAYMENT OPTIONS

The account holder has four (4) premium-payment options:

1. Check or Money Order
2. Credit Card (Visa or MasterCard)
3. Monthly Electronic Funds Transfer (EFT)
4. Pay by Phone – 1-877-200-4220

PAYMENT DUE DATE

Payments are due on the due date indicated on the account statement. Any payments not received in our office by the due date will result in the release of a cancellation notice on the next billing date. In this event, payment of the past due amount and the current installment will be required to continue coverage. <u>There is no grace period</u>.

1. Monthly EFT payments are submitted to your bank on the payment-due date and for the minimum amount due on your account statement. We require a 48-hour advance notice in order to suspend your Monthly EFT payment.
2. Pay-by-Phone payments are credited to your account on the next business day.
3. We cannot hold a Notice of Cancellation for Non-Payment if payments are not received in our office by the due date.

SERVICE CHARGE

<u>There will be no service charge for monthly EFT payments.</u> For all other payment options a $6.00 charge will be added to the monthly installment. The service charge is fully earned if the account cancels for non-payment of premium.

NEW POLICIES

A new policy may be added to an existing account or a new account may be created. If you paid the down payment to your agent, the payment may not be shown on your first billing statement. Please check with your agent or access your policy on our Website at www.ciginsurance.com to see if your payment has been posted after the billing statement was printed.

RENEWAL POLICIES*

Renewals are billed 20 days in advance of the renewal date. Personal Automobile policies are billed in five (5) equal installments with all annual property and commercial policies billed in eleven (11) equal installments. No scheduled installments are due in the final month of the policy term.

EXCESS PAYMENTS

To avoid service charges, you may pay multiple installments at any time. Amounts paid in excess of the monthly minimum due will be applied to the next month's installment. Subsequent bills will not be mailed until the credit amount has been used. If the account is paid in full and a refund is due, it will be made to the policy client. However, if the excess amount is less than $5.00, the credit will remain on the account.

ENDORSEMENTS

Any endorsement transactions resulting in a change of premium will be reflected on the next account statement. **We do not adjust the current amount due when the installment has already been billed.**

ADDITIONAL FEES

- A Late Fee of $20.00 will be assessed on any account on which payments are not made by the due date.
- A charge of $35.00 will be assessed for insufficient funds or bank-returned checks. This may result in cancellation of the account.
- A $15.00 Reinstatement Fee will be assessed to any account canceled for non-payment which has underwriter approval to reinstate.

Fees are fully earned on policies canceled for non-payment of premium.

CANCELLATION FOR NON-PAYMENT

If your account is canceled for non-payment of premium due and not reinstated in accordance with the terms outlined below, all policies on the account will be canceled. All earned premiums will be collected for policies on the account prior to refunding any credit to the account holder. (When an account cancels for non-payment, all policies on the account require approval for reinstatement.) **If an Underwriting Cancellation Notice is pending for a policy on an account, it will supersede the Account Notice of Cancellation for Non-Payment.**

REINSTATEMENTS

In order to reinstate an account a written request from your servicing agent must be submitted within ten (10) days of the cancellation effective date. An account will only be reinstated with underwriting approval, enough funds to bring the account current and all requested underwriting documentation. It is at the underwriters' discretion to reinstate one or all policies on the account.

COMBINING ACCOUNTS

You can combine multiple policies onto a single monthly billing statement with one monthly service fee of $6.00. Again, the $6.00 service fee is waived if you pay by monthly recurring EFT. To combine your policies, please contact your agent.

CIG WEBSITE

Our CIG Website can be used to look up your account to see when your next installment is due and when we processed your payments. If you have any billing questions, our website, www.ciginsurance.com, provides you with a quick and easy way to find the answers.

Information About Your Account.

Grace Period on Purchases. You can avoid periodic finance charges on purchases, but not on cash advances. This is called a grace period on purchases. The grace period is at least 20 days. To get the grace period on purchases, pay the following amounts by the due date every billing period: the New Balance (subject to the Promotional Balance Exceptions), plus the minimum monthly payments required for your No Interest and 0% balances. If you do not, you will not get a grace period unless you pay those amounts by the due date for two billing periods in a row. The two Promotional Balance Exceptinns are: (1) You do not have to pay any No Interest or 0% balances that do not expire by the Next Closing Date shown on the billing statement. (2) You can pay any No Interest or 0% balances that do expire by the Next Closing Date shown on the statement by the later of the promotion's expiration date or the statement's payment due date.

In addition, certain promotional offers may take away the grace period on purchases. Other promotional offers, in addition to No Interest and 0% offers, may also allow you to have a grace period on purchases without having to pay all or a portion of the promotional balance by the due date. If either is the case, the promotional offer will describe what happens.

Balance Subject to Finance Charge. We calculate periodic finance charges separately for each balance. Balances include regular purchases, regular cash advances, and different promotional balances.

To get a daily balance, we start with the balance as of the end of the previous day. We add any new charges. We then subtract any new credits or payments and make other adjustments. A credit balance is treated as a balance of zero. If the rate on a balance is a daily rate we include in the daily balance any periodic finance charge on the previous day's balance. (This results in daily compounding of finance charges.)

If the rate on a balance is a daily rate we use an average daily balance method (including new transactions). We figure the periodic finance charge by multiplying the daily balance by its daily periodic rate. We do this for each day in the billing period. The Balance Subject to Finance Charge is the average of the daily balances during the billing period. If you multiply this figure for each balance by its daily periodic rate and by the number of days in the billing period, the result is the total periodic finance charge on that balance. Rounding may cause a small difference.

Alternate Balance Subject to Finance Charge Calculation Method. If the front of your statement has a message stating this account is subject to the Alternate Balance Subject to Finance Charge Calculation Method we use a two-cycle average daily balance method (including new transactions) for purchases and an average daily balance method (including new transactions) for cash advances. If your account is subject to a daily periodic rate we figure the periodic finance charge by multiplying the daily balance by its daily periodic rate. We do this for each day in the billing period. In addition, for each purchase balance, we multiply the daily balance for each day of the previous billing period by its daily periodic rate. If your account is subject to a daily periodic rate we figure the periodic finance charge by multiplying each Balance Subject to Finance Charge by its monthly periodic rate. In addition, we multiply the Balance Subject to Finance Charge for each purchase balance for the previous billing period by its monthly periodic rate. Whether your account is subject to a daily or a monthly rate, for each balance, we add up all the daily balances for the billing period and divide by the number of days in the billing period. This gives us the Balance Subject to Finance Charge for that balance for that billing period. We do not calculate periodic finance charges for the previous billing period if your account was credited for the full New Balance, plus the minimum monthly payments required for your No Interest and 0% balances, on your previous billing statement by that statement's payment due date (subject to the Promotional Balance Exceptions described above in the Grace Period on Purchases) or a periodic finance charge was already billed on that balance. If your account is subject to a daily periodic rate, for each cash advance balance, multiply the Balance Subject to Finance Charge by the number of days in the billing period and by the applicable daily periodic rate. The result is the periodic finance charges for that balance. For each purchase balance, multiply the Balance Subject to Finance Charge for the current billing period by its daily periodic rate and by the number of days in the billing period. Then do the same thing for the Balance Subject to Finance Charge for the previous billing period (if there is one) using the daily periodic rate and number of days in that billing period. Add the two results and you will have the total periodic finance charge for that balance. Rounding may cause a small difference.

Notify Us in Case of Errors or Questions About Your Bill. If you think your bill is wrong, or if you need more information about a transaction on your bill, write us (on a separate sheet) at the Billing Errors address on this statement as soon as possible. We must hear from you in writing no later than 60 days after we send you the first bill on which the error or problem appeared. In your letter, give us the following information:

- Your name and account number.
- The dollar amount of the suspected error.
- Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.

Important Information About Your Sprint Invoice

Explanation of Certain Account Summary Provisions (page 3):

Sprint Surcharges: Rates we choose to collect from you to help defray costs imposed on us. Surcharges are not taxes or amounts we are required to collect from you by law. Surcharges may include: Federal USF, regulatory charges, administrative charges, gross receipts charges, and other charges incurred to recover costs associated with governmental programs. The amounts, and the components used to calculate Surcharge amounts, are subject to change.

Government Fees and Taxes: Taxes and fees Sprint is required to collect from customers on behalf of the government.

Prorated Early Termination Fee (ETF) Policy

An ETF of up to $200/line applies if you terminate service early. Contracts starting after Nov. 2008 are subject to this policy ($200 through month 5 of term, decreasing $10 a month until $50 minimum applies to remainder). See sprint.com/etf for information.

Important 9-1-1 Information

Dial 9-1-1 in case of emergency. If you encounter a prerecorded message instead of a live operator, wait for the appropriate prompt and say "EMERGENCY" instead of pressing 1. Not all wireless phones transmit number tones during a 911 call. See sprint.com/consumerinfo, *Important 911 Information* for more details.

International Rates Subject to Change

International rates, including international roaming rates, are subject to change from time to time without notice. Visit sprint.com/international for the most up to date rate information.

Did You Know?

You can view and print your previous bills, as well as track your payments on sprint.com. No need to save those bills throughout the year. Simply sign on to sprint.com and view up to 12 months of bills right from your computer.

Hearing Aid Compatibility

Sprint offers a variety of handsets that have been rated for compatibility with several types of hearing aids. Please visit sprint.com/accessibility for more information.

Software Updates Available

Keep your phone's software current by checking for updates regularly. Go to sprint.com/support and select your phone model to see if a software update is available for your phone. That's getting it done right now.

Please note your service rate has increased for services covered on your current or next invoice. Your new service rate may be based on any number of factors, including adjustments to cover increases in the Consumer Price Index, increased costs of servicing your account, such as disposal costs, or other costs specific to the waste industry, or for us to achieve acceptable operating margins. To the extent required by your customer service terms, your consent to your new service rate will be effective upon your invoice payment.

1. **First Installment Due and Delinquent:** Due and payable November 1, 2008, delinquent if postmarked after December 10, 2008. A 10% penalty is added to delinquent accounts.
2. **Second Installment Due and Delinquent:** Due February 1, 2009, delinquent if postmarked after April 10, 2009. A 10% penalty plus a $30.00 delinquent cost fee is added to delinquent accounts. (See paragraph 4 for penalties due after June 30).
3. **If December 10 or April 10 falls on a Saturday, Sunday, or Holiday**. The time of delinquency is 5:00 p.m. or the close of business on the next business day.
4. **Delinquent Prior Year Taxes:** If this notation appears on the face of your statement, it indicates there are delinquent taxes which constitute a lien against this property. After June 30 of the first year of delinquency, a $15.00 redemption fee is added, plus penalties of 1.5 % per month to the time of redemption.
5. **PAYMENT OF TAXES:** Your taxes may be paid by mail. Return the payment stub with your payment in the return envelope provided. Checks and money orders should be made payable to **LAWRENCE L. MATHENEY, TAX COLLECTOR. DO NOT MAIL CASH.**
6. **CHARGE FOR RETURNED CHECKS:** A $47.00 fee will be charged for all checks returned for any reason.

8. **Full Values, Appeals and Exemptions:** The County Assessor establishes all property values. If you disagree with the property values on this bill, you may have the right to file an application for reduced assessment with the Assessment Appeals Board between July 2 and November 30, 2008. In addition, you may request an informal review by filing an Application for Decline in Value Review for the current 2008-2009 tax year prior to January 1, 2009. This form is available on the Assessor s web-site: http://assessor.countyofventura.org or by contacting their office at (805) 654-2181. 9. **Property Transfer:** If this property has been sold, return this bill to the Tax Collector. FAILURE TO RECEIVE A TAX BILL DOES NOT RELIEVE THE TAXPAYER OF HIS RESPONSIBILITY of payment or constitute cause for cancelation of penalty and cost charges in cases of delinquency. (R&T Code SEC. 2610.5)
10. **To obtain a tax bill:** If you do not receive tax bills for all of your properties, contact the Tax Collector, or, as a courtesy, please forward the tax bill to the new owner.
11. **Property Tax Assistance for Senior Citizens or Blind or Disabled Persons:** The Gonsalves-Deukmejian-Petris Senior Citizens Property Tax Assistance Law provides direct cash assistance based on part of the property taxes paid on the homes of qualified individuals with total household incomes of $44,096 or less who are either: (1) 62 or older, (2) blind, or (3) disabled; and a U.S. citizen or eligible alien. Claims for assistance are based on the 2008/2009 property taxes. The amount of taxes postponed plus accrued interest must be repaid to the State of California when the homeowner dies, sells, moves from the property or allows senior liens to become delinquent. The filing period for the current year taxes is May 15 through December 10, 2008. A claim must be filed each year the homeowner desires to have the property taxes postponed. **Forms and Information:** You can get claim forms or information regarding the Property Tax Postponement Program by contacting the State Controller s Office website: www.sco.ca.gov or by contacting the State Controller s Office at (800) 952-5661. Total Equipment Protection $7/mo./device

Total Equipment Protection gives you the combined coverage offered by the Equipment Service and Repair Program and the Equipment Replacement Program in one complete package. Your phone or smart device is insured against loss, theft, physical or liquid damage, as well as covered for mechanical and electrical problems, routine maintenance, and failure from normal wear and tear.

$50 non-refundable deductible applies per approved replacement for lost, stolen, physical or liquid damaged devices. Limits of three (3) claims for lost, stolen, physical or liquid damage within any consecutive 12 months and a maximum of $1,000 per claim apply. Repair or replacement for mechanical or electrical problems, failure due to normal wear and tear and routine maintenance are at no extra charge. Replacement equipment may be new or reconditioned and/or a comparable model. Customer may cancel coverage at any time and receive a pro-rated credit of unused premium.

Coverage is $6/mo./device on accounts with 51-999 devices and $5/mo./device on accounts with 1000+ devices.

For immediate protection, enroll when you upgrade or activate your phone or smart device or connection card. To enroll after activation, ask a Sprint representative to add Total Equipment Protection or call 1-800-584-3666 within 30 days of activation. *Monthly charges exclude taxes and Sprint Surcharges (incl. USF charge of up to 11.4% (varies quarterly), Administrative Charge (up to $1.20/line/mo.), Regulatory Charge ($0.20/line/mo.) & state/local fees by area). Sprint Surcharges are not taxes or govt-required charges and are subject to change. Details: Sprint.com/taxesandfees.

TERMS OF SERVICE – Subscriber Agreement: The agreement is provided to you at activation and includes any documents you are asked to sign, the detailed service terms (in this guide & other relevant materials) and a specific Terms and Conditions document for the services selected. General Terms: If you agree to maintain service for a minimum Term, the Term begins when you accept the Subscriber Agreement (e.g., signature, activate service, use phone, etc.). You may terminate any line of service before its Term ends by calling us, however you will be responsible for an EARLY TERMINATION FEE of up to $200 ("ETF") for each line/number terminated early – except for terminations consistent with our return policy. Subscriber Agreements starting after 11/5/06 are subject to Sprint's prorated policy ($200 through month 5 of term, decreasing $10 a month until $50 minimum applies to remaining terms). Payment of the ETF does not satisfy other obligations owed to us, including Term commitments with other lines or service/equipment charges. All offers, including plans and customizable/upgrade options are available from 11/2/08 to 1/10/09 – we reserve the right to cancel offers early or extend offers without notice. Offers are subject to credit approval. An account spending limit may apply – ask for specific amount. In certain areas, a $4.99 per month account spending limit fee will apply per line. Monthly service plan changes accrue even if your service is turned off for exceeding your spending limit or non-payment. Offers may not be available everywhere or combinable with other promotions/options. Coverage is not available everywhere and varies by service – see mapping brochures or visit sprint.com/coverage for details. Monthly charges exclude taxes, Sprint Surcharges (incl. USF charge (varies quarterly), cost recovery and administrative fees, & state/local fees by area (e.g., in some areas up to 18% but in most areas less than 3%)). Sprint Surcharges are not taxes or govt-required charges and are subject to change. Up to a $36 phone activation fee applies to new activations, certain service plan changes or upgrades of phones or devices ("phones"). A $25 reconnect fee may apply to reestablish service on all accounts that have been disconnected for nonpayment. A deposit, in most instances between $50 and $750 (but sometimes up to $1000), may be required per line to establish service. Our services will only work with our phones – not all services are available with all phones or on all networks. Monthly service charges are not refunded or prorated if service is terminated or modified before your billing cycle ends. All phone usage, including incoming/outgoing calls, incurs charges unless specified otherwise. Except where specified, included plan minutes are not good for off-network roaming calls. International roaming rates for voice and data services are additional and will vary. On calls that cross time periods, minutes are generally deducted or charged based on the call start time. Unused monthly plan minutes do not carry forward. Partial minutes of use are rounded up to the next whole minute.

PROMOTIONS, OPTIONS AND OTHER PROVISIONS
Messaging (text, picture and video): Standard message rates are charged when a message is sent or received, whether read or unread, viewed or unviewed, solicited or unsolicited. Unused monthly plan messages do not carry forward. Certain messages, including those to 3rd parties to participate in a promotion or other program, will result in additional charges. International messaging rates may vary. There is no guarantee that messages will be received, and we are not responsible for lost or misdirected messages. Most text messages are limited to 160 characters. Messages may incur an additional data charge of 3¢/kilobyte. Mobile to Mobile: Only available for calls directly between Sprint phones and/or most Nextel phones (not through Voicemail, 411 or other indirect methods). Not available where a Sprint phone is roaming or off the Nationwide Sprint Network. Location Based Services: Environment may limit location based service information. Location Based Services require an account holder's authorization for Sprint to share location and other needed enabling information with third parties. It is the responsibility of the account holder to notify device users that location can be identified while using location based service applications. Total Equipment Protection: Equipment Replacement Program is insurance underwritten by Continental Casualty Company, a CNA company (CNA) and administered by Asurion Protection Services, LLC, a licensed agent of CNA (Asurion Protection Services Insurance Agency, LLC CA Lic. #0D63161). Please see the Total Equipment Protection brochure available at any participating retail location or visit sprint.com for complete terms and conditions of coverage. Terms and conditions are subject to change. May not be available in all states. Eligibility varies by device.

Sprint to Home: Monthly charge is invoiced to Sprint wireless account. Add-a-Phone: Requires a minimum two-year agreement for each line added ("Secondary Line"). The first phone activated on the service plan ("Primary Line") and Secondary Lines may have different agreement end dates. If the Primary Line on the account is terminated prior to the expiration of the agreement of any Secondary Line, a Secondary Line will become the Primary Line. Email: Wireless access to corporate/employee email may require add'l server or server access licenses, or additional requirements which incur add'l charges. Data: Services are not available with all Sprint phones. Usage is calculated on a per kilobyte basis and is rounded up to the next whole kilobyte. Rounding occurs at the end of each session or each clock hour and, at which time we deduct accurate/used usage from your plan, or assess overage or casual usage charges. You are responsible for all data activity from and to your device, regardless of who initiates the activity. Estimates of data usage will vary from actual use. Your invoice will not separately identify the number of kilobytes attributable to your use of specific sites, sessions or services used. Premium content (games, ringers, songs, etc.) priced separately. Services are not available for use in connection with server devices or host computer applications, other systems that drive continuous heavy traffic or data sessions, or as substitutes for private lines or frame relay connections. Except with Phone-as-Modem plans, you may not use a phone (including a Bluetooth phone) as a modem in connection with a computer, PDA, or similar device. We reserve the right to deny or terminate service without notice for any misuse or any use that adversely affects network performance. Availability of downloadable or streaming content is subject to change including but not limited to television channels and radio stations. If user is not subscribed to a data included plan or add-on, pay-as-you-go charges are incurred when using data applications and services. Web Access: Sprint can help you prevent the transmission of material harmful to minors on certain devices by allowing access only to a limited number of Internet websites or restricting web access. For more information, visit sprint.com. Off-network Roaming on Sprint Phones: Not available with single-band phones, or to customers residing outside an area covered by the Nationwide Sprint Network. Sprint may terminate service if in a given month (1) more than 500 minutes, (2) a majority of minutes or (3) a majority of data kilobytes are used while roaming. International calling, including in Canada and Mexico, is not included in plans with no roaming charges. Roaming usage may be invoiced after 30-60 days. Data services and certain calling features (Voicemail, Caller ID, Call Waiting, etc.) may not be available in all roaming areas. Data Usage Limitation (Mobile Broadband Cards, USB Modems, Embedded Modems and Phone-as-Modem): The amount of data transmitted over our network is measured in kilobytes (KB), megabytes (MB) or gigabytes (GB). Sprint reserves the right to limit throughput speeds or amount of data transferred, and to deny, terminate, disconnect or suspend service if usage either exceeds (a) 5GB/month in total, unless specified otherwise or (b) 300MB/month while off-network roaming. (1024 KB equal 1MB. 1024MB equal 1GB). Roadside Rescue: Must be with vehicle and have your Sprint phone with you at the time of service. Limit 4 calls per program year (starts when service is added to your account). Allow approximately 72 hours to provision service to your account. Covers light passenger cars & trucks. Excludes RVs, motorcycles, boats, trailers, limousines, taxis and commercial or heavy-duty vehicles. This is not a reimbursement service and is not valid when operating vehicle off-road. Services are provided by AAA, AAA clubs, CAA clubs and in California, the National Automobile Club and Allstate Motor Club, Inc. Sprint is not a motor club. International Long Distance: Roaming must be activated for International service in order to make international long-distance calls, including calls to Mexico. For verification purposes, you may be required to provide additional information and activation of plan may take approximately 1 to 3 days. Rates, mobile termination fees, and available countries are available at sprint.com/internationalrates. International rates are subject to change without notice. Mexico Long Distance Dial Codes: Agua Prieta (633), Alter (637), Ciudad Acuña (877), Ciudad Juarez (656), Ensenada (646), Matamoros (868), Mexicali (686), Naco (633), Nogales (631), Nuevo Laredo (867), Ojinaga (629), Piedras Negras (878), Puerto Palomas (656), Reynosa (899), Rosarito (661), San Luis Rio Colorado (653), Sonoita (651) Tecate (665), & Tijuana (664). Nextel Direct Connect®: Customer must select rate plan or service with Nextel Direct Connect access in order to make or receive Direct Connect calls. For Your Information

Bills are due and payable upon presentation

Current bill
If the amount of the bill for telephone service is not paid within 15 days from the date of presentation, service may be discontinued.

Previous bill
If an amount for telephone service from a previous bill has not been paid, service is subject to discontinuance prior to the date referred to above.

Reconnect charge
If your telephone service is discontinued, in addition to the delinquent amount, a reconnection charge (per line) will apply. Both charges must be paid before service will be reconnected.

Late payment charge
A late payment charge of $5.00 or 1.5% on an unpaid balance of $20.00 or more, whichever is higher, will be applied to your bill if payment is not received at the Utility or one one of its payment agents by the late payment date printed on your bill. The late payment date will not be less than 22 days from the date the bill is mailed by the Utility. Neither the billing nor payment of late charges relieves you of the obligation to pay all charges prior to the due date of the bill.

Directory advertising
The amount of the bill may include charges for directory advertising. Advertising in future directories may be denied if current directory advertising charges are not paid. Disconnection will be made for delinquent telephone service charges, excluding directory advertising.

Please call your Verizon Customer Representative at the 'Billing questions' number which appears above. If you are not satisfied after receiving an explanation, please ask to speak to a supervisor who will further investigate your request. You must pay the undisputed amount to Verizon by the due date indicated on the bill. If you have a complaint you cannot resolve with us, write the California Public Utilities Commission at Consumer Affairs Branch, 505 Van Ness Ave., San Francisco, CA 94102, or at *www.cpuc.ca.gov*, or call 1-800-649-7570 or TDD 1-800-229-6846. For Your Information

Important billing information
When you provide a check, you authorize us either to use information from your check to make a one-time electronic fund transfer from your account or to process this transaction as a check. If you wish to be excluded from this process, please call 1-888-500-5358. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution.

Important Subscriber Line Charge information
Effective on or about January 1, 2009, the Federal Subscriber Line Charge (SLC) for single-line business, multiline business and Centrex lines, or ISDN PRI may change. The Non-presubscribed Primary Interexchange Carrier Charge (PICC) for multiline business and Centrex lines, or ISDN PRI may also change. These charges help pay for the costs of providing and maintaining the local network. In addition, your Federal Universal Service Fund (FUSF) surcharge may change effective on or about January 1, 2009. The FUSF surcharge, which is authorized by the FCC and reviewed quarterly, provides funding for programs to keep local telephone rates affordable for all customers and to provide discounts to schools, libraries, rural health care providers and low-income families.

Important Service Information

For Your Information

Bills are due and payable upon presentation

Current bill
If the amount of the bill for telephone service is not paid within 15 days from the date of presentation, service may be discontinued.

Previous bill
If an amount for telephone service from a previous bill has not been paid, service is subject to discontinuance prior to the date referred to above.

Reconnect charge
If your telephone service is discontinued, in addition to the delinquent amount, a reconnection charge (per line) will apply. Both charges must be paid before service will be reconnected.

Late payment charge
A late payment charge of $5.00 or 1.5% on an unpaid balance of $20.00 or more, whichever is higher, will be applied to your bill if payment is not received at the Utility or one one of its payment agents by the late payment date printed on your bill. The late payment date will not be less than 22 days from the date the bill is mailed by the Utility. Neither the billing nor payment of late charges relieves you of the obligation to pay all charges prior to the due date of the bill.

Directory advertising
The amount of the bill may include charges for directory advertising. Advertising in future directories may be denied if current directory advertising charges are not paid. Disconnection will be made for delinquent telephone service charges, excluding directory advertising.

Closed Captioning Concerns or Complaints?
If you are having a concern with closed captioning on a program you are currently watching, you may contact Verizon at 1-888-553-1555, via email at videoclosedcaption@verizon.com, or via facsimile at 1-888-806-7026. If you have a written closed captioning complaint, you may write to us at Verizon, P.O. Box 33052 821, 1st Ave N St. Petersburg, FL 33701 Att: Valerie DeCastro, Manager, fax 1-888-806-7026, or via email at videoclosedcaption@verizon.com.

Important - Billing System Transition and Internet Bill Date Adjustment
We have transitioned your account to a new billing system, streamlining the way in which all of your services are billed. Your Internet billing period will now match the billing period for any Verizon voice and/or TV services on this account. As a result of this one-time date adjustment, your monthly Internet charges may extend beyond the typical 30-day period. In order to avoid any impact to your current invoice, we will not bill you for the days between the old and new billing dates until your Internet service is disconnected.

Bankruptcy Information
If you are subject to pending bankruptcy proceedings or if you received a bankruptcy discharge, and if this statement includes charges for service prior to the filing of your bankruptcy petition, Verizon is providing the pre-bankruptcy charges for your information only and you should not pay those pre-bankruptcy charges.

Please direct all correspondence concerning any bankruptcy to PO Box 3037, Bloomington, IL 61702.

Change in CA HCFB and the CASF rate
Beginning 12/01/2009, your California High Cost Fund B charge will increase from 0.25% to 0.45% of revenue per month. This charge is billed together with the CA Advanced Service Fund, so the overall rate on your bill for these combined fees will be changing from 0.50% to 0.70% of revenue per month. These fees are collected by Verizon and paid to the CA Public Utility Commission where they are used to provide affordable telecommunications services throughout the state. See CHCF-B and the CASF.

Verizon Reads
If you have checked the box on the first page of your phone bill or called your local business office and signed up to be a Literacy Champion, a tax deductible $1 donation will be included monthly in the Verizon section of the bill. Contributions will benefit Verizon Reads Inc. Verizon Reads Inc. is a nonprofit corporation created by Verizon Communications Inc. to administer a nationwide fund-raising program to support literacy programs. Verizon Reads Inc.'s principal source of revenue is money contributed by the general public. Even if you check the box or call the local business office to sign up, you are not required to pay the literacy donation. Phone service will not be terminated if you do not contribute. To discontinue your literacy donation, call the phone number listed on page 2 of your bill.

Previous bill
If an amount for telephone service from a previous bill has not been paid, service is subject to discontinuance prior to the date referred to above.

Reconnect charge
If your telephone service is discontinued, in addition to the delinquent amount, a reconnection charge (per line) will apply. Both charges must be paid before service will be reconnected.

If the amount of the bill for telephone service is not paid within 15 days from the date of presentation, service may be discontinued.

Previous bill
If an amount for telephone service from a previous bill has not been paid, service is subject to discontinuance prior to the date referred to above.

Reconnect charge
If your telephone service is discontinued, in addition to the delinquent amount, a reconnection charge (per line) will apply. Both charges must be paid before service will be reconnected.

Late payment charge
A late payment charge of $5.00 or 1.5% on an unpaid balance of $20.00 or more, whichever is higher, will be applied to your bill if payment is not received at the Utility or one one of its payment agents by the late payment date printed on your bill. The late payment date will not be less than 22 days from the date the bill is mailed by the Utility. Neither the billing nor payment of late charges relieves you of the obligation to pay all charges prior to the due date of the bill.

Current bill
If the amount of the bill for telephone service is not paid within 15 days from the date of presentation, service may be discontinued.

Previous bill
If an amount for telephone service from a previous bill has not been paid, service is subject to discontinuance prior to the date referred to above.

Reconnect charge
If your telephone service is discontinued, in addition to the delinquent amount, a reconnection charge (per line) will apply. Both charges must be paid before service will be reconnected.

Late payment charge
A late payment charge of $5.00 or 1.5% on an unpaid balance of $20.00 or more, whichever is higher, will be applied to your bill if payment is not received at the Utility or one one of its payment agents by the late payment date printed on your bill. The late payment date will not be less than 22 days from the date the bill is mailed by the Utility. Neither the billing nor payment of late charges relieves you of the obligation to pay all charges prior to the due date of the bill.

Directory advertising
The amount of the bill may include charges for directory advertising. Advertising in future directories may be denied if current directory advertising charges are not paid. Disconnection will be made for delinquent telephone service charges, excluding directory advertising.

Antenna on Your TV? Act Now to Make Sure You Are Prepared
The nationwide switch to digital television broadcasting will be complete on June 12, 2009, but your local TV stations may switch sooner. Act now to make sure you are prepared. By June 12, 2009, analog-only TVs that receive programming through an antenna will require a converter box to continue to receive over-the-air TV. Some broadcast stations may transition earlier, so you should check with your local broadcast stations to confirm when they will turn off their analog signal and switch to digital-only broadcasting.

TVs connected to FiOS ® TV will not be affected by the broadcast DTV transition.

Analog-only TVs should also continue to work as before to receive low power, Class A or translator television stations and with cable and satellite TV services, gaming consoles, VCRs, DVD players, and similar products.

Information about obtaining subsidized coupons for the government's converter box program can be obtained at *www.ntiadtv.gov, www.dtv2009.gov* or by calling 1-888-DTV-2009, or 1-877-530-2634 (TTY). More information about the broadcast DTV transition in general is available at your local television stations, *www.DTV.gov* or by calling 1-888-CALL-FCC (voice) or 1-888-TELL-FCC (TTY). You may also contact the DTV Transition Coalition at *www.dtvtransition.org*, or Verizon at 1-888-558-3755 (voice) or 888-558-3770 (TTY).

Verizon Reads Inc.'s principal source of revenue is money contributed by the general public. Even if you check the box or call the local business office to sign up, you are not required to pay the literacy donation. Phone service will not be terminated if you do not contribute. To discontinue your literacy donation, call the phone number listed on page 2 of your bill.

Antenna on Your TV? Act Now to Make Sure You Are Prepared
The nationwide switch to digital television broadcasting will be complete on June 12, 2009, but your local TV stations may switch sooner. Act now to make sure you are prepared. By June 12, 2009, analog-only TVs that receive programming through an antenna will require a converter box to continue to receive over-the-air TV. Some broadcast stations may transition earlier, so you should check with your local broadcast stations to confirm when they will turn off their analog signal and switch to digital-only broadcasting.

TVs connected to FiOS ® TV will not be affected by the broadcast DTV transition.

Analog-only TVs should also continue to work as before to receive low power, Class A or translator television stations and with cable and satellite TV services, gaming consoles, VCRs, DVD players, and similar products.

Information about obtaining subsidized coupons for the government's converter box program can be obtained at *www.ntiadtv.gov, www.dtv2009.gov* or by calling 1-888-DTV-2009, or 1-877-530-2634 (TTY). More information about the broadcast DTV transition in general is available at your local television stations, *www.DTV.gov* or by calling 1-888-CALL-FCC (voice) or 1-888-TELL-FCC (TTY). Effective on or about April 1, 2009, the Federal Subscriber Line Charge (SLC) for single-line business, multiline business and Centrex lines, or ISDN PRI may change. The Non-presubscribed Primary Interexchange Carrier Charge (PICC) for multiline business and Centrex lines, or ISDN PRI may also change. These charges help pay for the costs of providing and maintaining the local network. In addition, your Federal Universal Service Fund (FUSF) surcharge may change effective on or about April 1, 2009. The FUSF surcharge, which is authorized by the FCC and reviewed quarterly, provides funding for programs to keep local telephone rates affordable for all customers and to provide discounts to schools, libraries, rural health care providers and low-income families.

Antenna on Your TV? Act Now to Make Sure You Are Prepared
The nationwide switch to digital television broadcasting will be complete on June 12, 2009, but your local TV stations may switch sooner. Act now to make sure you are prepared. By June 12, 2009, analog-only TVs that receive programming through an antenna will require a converter box to continue to receive over-the-air TV. Some broadcast stations may transition earlier, so you should check with your local

broadcast stations to confirm when they will turn off their analog signal and switch to digital-only broadcasting.

TVs connected to FiOS ® TV will not be affected by the broadcast DTV transition.

Analog-only TVs should also continue to work as before to receive low power, Class A or translator television stations and with cable and satellite TV services, gaming consoles, VCRs, DVD players, and similar products.

Information about obtaining subsidized coupons for the government's converter box program can be obtained at *www.ntiadtv.gov, www.dtv2009.gov* or by calling 1-888-DTV-2009, or 1-877-530-2634 (TTY). More information about the broadcast DTV transition in general is available at your local television stations, *www.DTV.gov* or by calling 1-888-CALL-FCC (voice) or 1-888-TELL-FCC (TTY). Important Subscriber Line Charge information
Effective on or about January 1, 2009, the Federal Subscriber Line Charge (SLC) for single-line business, multiline business and Centrex lines, or ISDN PRI may change. The Non-presubscribed Primary Interexchange Carrier Charge (PICC) for multiline business and Centrex lines, or ISDN PRI may also change. These charges help pay for the costs of providing and maintaining the local network. In addition, your Federal Universal Service Fund (FUSF) surcharge may change effective on or about January 1, 2009. The FUSF surcharge, which is authorized by the FCC and reviewed quarterly, provides funding for programs to keep local telephone rates affordable for all customers and to provide discounts to schools, libraries, rural health care providers and low-income families.

Re: Small Business Technical Solutions Account#6811083

Dear Ms. Carter:

Your letter has been referred to me for research and reply.

On 12/10/08 at 5:47 p.m., we contacted your company regarding this service. The service was explained in detail, and authorization was given for the $49.95 monthly fee to be applied to your telephone account. We use a verification department that verifies authorization of this service and the conversation is recorded for your protection.

On 12/10/08 we spoke with Pat Hostmyer, who stated he/she was authorized on this account, however, due to the fact that the registrant is not authorized on your account, the account has been cancelled per your request on 02/24/2009. We have issued 3 credits in the amount of $149.85, plus any taxes that you may have been charged. Please be advised that it can take 1 to 2 billing cycles for the credit to appear on your telephone account.

This is a full refund of all charges to your telephone account.

Sincerely;

Jodi L.

For Your Information

Bills are due and payable upon presentation

Current bill
If the amount of the bill for telephone service is not paid within 15 days from the date of presentation, service may be discontinued.

Previous bill
If an amount for telephone service from a previous bill has not been paid, service is subject to discontinuance prior to the date referred to above.

Reconnect charge
If your telephone service is discontinued, in addition to the delinquent amount, a reconnection charge (per line) will apply. Both charges must be paid before service will be reconnected.

Late Payment Charge
A late payment charge of $2.50 or 1.5% on an unpaid balance of $20.00 or more, whichever is higher, will be applied to your bill if payment is not received at the Utility or one of its payment agents by the late payment date printed on your bill. The late payment date will not be less than 22 days from the date the bill is mailed by the Utility. Neither the billing nor payment of late charges relieves you of the obligation to pay all charges prior to the due date of the bill.

Directory advertising
The amount of the bill may include charges for directory advertising. Advertising in future directories may be denied if current directory advertising charges are not paid. Disconnection will be made for delinquent telephone service charges, excluding directory advertising.

If you question this bill
Please call your Verizon Customer Representative at the 'Billing questions' number which appears above. If you are not satisfied after receiving an explanation, please ask to speak to a supervisor who will further investigate your request. You must pay the undisputed amount to Verizon by the due date indicated on the bill. DIRECTV delivers 100% digital picture. The upcoming digital transition affects the minority of customers with analog TVs who receive local channels via off-air antenna rather than from DIRECTV. After 2/17/09 these customers need a digital-to-analog converter box to receive full power, over-the-air digital broadcasts. Reception of low power, Class A or translator stations won't change. For more info: www.directv.com/DTV2009 or www.DTV.gov. Learn about subsidized coupons for converter boxes: www.dtv2009.gov or 1-888-DTV-2009.

Antenna on Your TV? You Need to Read Below
With the digital television (DTV) transition, the United States is moving from analog to digital service for full power over-the-air TV broadcasts. After February 17, 2009, analog-only TVs will require a converter box to receive full-power over-the-air TV broadcasts with an antenna.

TVs connected to FiOS® TV will not be affected by the broadcast DTV transition.

Analog-only TVs should also continue to work as before to receive low power, Class A or translator television stations and with cable and satellite TV services, gaming consoles, VCRs, DVD players, and similar products.

Information about obtaining subsidized coupons for the government's converter box program can be obtained at *www.dtv2009.gov* or by calling 1-888-DTV-2009, or 1-877-530-2634 (TTY). More information about the broadcast DTV transition in general

Important Subscriber Line Charge information
Effective on or about October 1, 2009, the Federal Subscriber Line Charge (SLC) for single-line business, multiline business and Centrex lines, or ISDN PRI may change. The Non-presubscribed Primary Interexchange Carrier Charge (PICC) for multiline business and Centrex lines, or ISDN PRI may also change. These charges help pay for the costs of providing and maintaining the local network. In addition, your Federal Universal Service Fund (FUSF) surcharge may change effective on or about October 1, 2009. The FUSF surcharge, which is authorized by the FCC and reviewed quarterly, provides funding for programs to keep local telephone rates affordable for all customers and to provide discounts to schools, libraries, rural health care providers and low-income families.

Previous bill
If an amount for telephone service from a previous bill has not been paid, service is subject to discontinuance prior to the date referred to above.

Reconnect charge
If your telephone service is discontinued, in addition to the delinquent amount, a reconnection charge (per line) will apply. Both charges must be paid before service will be reconnected.

Switch to paperless billing at no charge with just a few key strokes. If you already have access to view this invoice in Verizon Enterprise Center, log on at *https://enterprisecenter.verizon.com* and click "Paperless Billing" at the top of the Invoices page. If you are not yet a registered user of Verizon Enterprise Center, contact your Account Manager or our customer service team at the number shown on this invoice.

Verizon Reads
If you have checked the box on the first page of your phone bill or called your local business office and signed up to be a Literacy Champion, a tax deductible $1 donation will be included monthly in the Verizon section of the bill. Contributions will benefit Verizon Reads Inc. Verizon Reads Inc. is a nonprofit corporation created by Verizon Communications Inc. to administer a nationwide fund-raising program to support literacy programs. Verizon Reads Inc.'s principal source of revenue is money contributed by the general public. Even if you check the box or call the local business office to sign up, you are not required to pay the literacy donation. Phone service will not be terminated if you do not contribute. To discontinue your literacy donation, call the phone number listed on page 2 of your bill.

IMPORTANT ACCOUNT INFORMATION

Effective December 1, 2009, the following changes amend your Business Account Agreement.

In the section of the Agreement titled "ATM Cards And Check Cards," the sub-section titled "Illegal Transactions" is deleted and replaced with the following:

Illegal Transactions
Each person to whom a Card is issued (a "Cardholder") agrees not to use his or her Card or any credit or deposit account linked to his or her Card (each, a "Linked Account") for any transaction that is illegal under applicable law, including, but not limited to, "restricted transactions" as defined in the Unlawful Internet Gambling Enforcement Act of 2006 and Regulation GG issued thereunder. In addition, we reserve the right to deny transactions or authorizations from merchants apparently engaging in the Internet gambling business or identifying themselves through the Card transactions record or otherwise as engaged in such business.

In the section of the Agreement titled "Miscellaneous," after the sub-section "Reordering Checks," the following is added:

Restricted Transactions
You acknowledge and agree that "restricted transactions" as defined in the Unlawful Internet Gambling Enforcement Act of 2006 and Regulation GG issued thereunder are prohibited from being processed through your Account or any relationship between you and the Bank. In the event we identify a suspected restricted transaction, we may block or otherwise prevent or prohibit such transaction and further we may close the Account or end the relationship.
