CITY CLERK DEPARTMENT
CITY OF THIRDSA 27 OAKS

Dear Ms. Pena,

I'm a Medically Retired Ventura County Sheriff's Department Correctional Officer. Last year I was Cleared for medical Marijuana for my severe neuropathy due to my Massive Stroke which occurred in 2011. Santa Barbara Care Center is located in Goleta, literally around the corner from a Santa Barbara Sheriff's Substation. Dave and his colleagues are Pro-Law Enforcement, very knowledgeable about their products and very nice and kind to their customers that's why I returned. Their customer base age range runs from 40 -60 .There are cameras surveillance all around the building which looks very nice no graffiti or signs, property is nicely landscaped, no loitering or hang arounds All the employees run a tight ship very strick about who comes inside. Being that I use to work in Law Enforcement. I would think your city would want a smaller Mom and Pop shop so you'd know the players better. Dave is the real deal, not here to hurt the community, to help the community. I should know, I was on Opioids before Medical Marijuana. Now my life is much better, Opioid free pain free, naturally.

Thank you,

Kelly Ryan Lindberg
