**RE: September 11, 2018, City Council Meeting; Agenda Item 9 A;  
Consideration of a Comprehensive General Plan Update in Conjunction with the Next  
Housing Element Cycle**

Dear Honorable Council Members:

Since a lot has changed in our world since the last time there was a comprehensive update of the General Plan or to the Circulation and Land Use elements, Thousand Oaks Boulevard Association supports a focused or a comprehensive update of the City's General Plan. As you know, Thousand Oaks Boulevard Association has spent a considerable effort in evaluating the City's central commercial corridor, in creating a vision for that area and then in drafting the Boulevard Specific Plan. We understand this item tonight is only to authorize staff to solicit proposals/qualifications from consultants for preparing a comprehensive General Plan update, yet we want to inform the City Council we look forward to being a part of the City's community engagement program on that update. In addition, Thousand Oaks Boulevard Association is a logical choice for membership on any steering committee that might be assembled for input on preparing a General Plan update. Thank you for your vision and efforts to assure our most important planning document is updated and consistent with real world factors and our needs for the next 15 years.

Respectfully yours,

T.O.B.A.
