Subject: **Item 7A – SUP 2017-70237 – North Ranch Country Club**

The following is a suggested revision to Condition No. 2, in bold for the above referenced project.

Scope of Permit Approval – The Special Use Permit is granted to allow ten (10) scheduled live, outdoor entertainment events per year consisting of live bands, disc jockey/master of ceremony and individual performers, subject to limitations involving hours of operation, location of outside event, temporary illumination and limited sound level for the live entertainment as conditioned by this permit at an existing country club facility (North Ranch Country Club) as shown on the submitted site plan labeled as “Project Site Plan” dated October 12, 2018.

Individual performers include those performers on a stage, as a main attraction, using amplified music, not acoustic background music.
