Q. Can I bring chairs, umbrellas, “boogie” boards and coolers on board?
A. There is limited storage for coolers, chairs, umbrellas, backpacks, boogie boards, etc., on board the bus in the built-in luggage racks. Anything brought on board the bus has to fit in the luggage rack or under the seat. Nothing flammable or dangerous can be brought on board the bus. If an item cannot be safely transported, it will not be allowed on-board. All decisions of the driver are final.

Q. Can I bring my surfboard?
A. Due to safety concerns, a maximum of two surfboards, not exceeding 6' 1/2 feet in length may be brought on-board the bus on a first-come, first-served basis, one board per person.

Q. What if I have more questions or need more information?
A. Call Thousand Oaks Transit at 805-575-5473.

---

Q. How much does it cost?
A. The ride is $3.00 each way, $1.50 for seniors age 65 and over and for persons with a disability or Medicare card. Fares are cash only, exact change required. Ten ride passes are available at a reduced cost.

Q. Is this a transit bus?
A. No, for this service we have contracted for special “cutaway bus” that carry 42 passengers. Buses are equipped with padded seats, seat belts, and luggage racks.

Q. Why do seniors get a discount and why aren’t children aged 5 and under free like they are on local buses?
A. Since this is a scheduled transit service, the City is required by law to provide a discounted fare to seniors and the disabled. Unlike a regular transit bus, everyone on the beach bus must be seated. Since there are a limited number of seats, every passenger has to pay.

Q. What about infants?
A. Use of an approved child seat is required for all infants. Since the child seat will have to occupy an available seat, we have to charge a fare.

Q. Can I use my TOT bus pass?
A. No, this service is not eligible for TOT bus passes since we do not have the necessary equipment installed on the bus to read and validate the cards.

Q. Can I reserve my seat in advance?
A. This is a public transit service. Reservations are not required or permitted.

Q. What is the Summer Beach Bus?
A. The Summer Beach Bus is a regular scheduled public transit service traveling between Thousand Oaks and Zuma Beach (Lot 5).

Q. When does the bus leave and where do I pick it up?
A. The Beach Bus departs from two locations:
   • Borchard Community Center Parking Lot
   • Thousand Oaks Teen Center Bus Stop
   ...and drops off and picks up at:
   • Zuma Beach parking lot #5 near the snack shack.

Monday through Friday there are two outbound and two return trips.

Q. Is there an age limit?
A. As a public transit service, Thousand Oaks Transit’s standard age policies apply. Persons under the age of 6 must be accompanied by an adult. Everyone under the age of 13 should be accompanied by a responsible guardian. If in the opinion of the driver, a passenger lacks the ability to understand how to use the bus on their own, they may be denied transportation.

Q. How much time do I get to spend at the beach?
A. Between 4 and 8 hours.

Q. How long does it take to get there?
A. Depending which stop you get on at, it could take up to 75 minutes to get to the beach or return depending on traffic and number of riders.

Q. What happens if I get to a stop but there is no room on the bus?
A. Seating is available on a first-come, first-served basis. Generally if there are more people waiting to board than available seats, riders will have to wait for the next bus to arrive. During peak demand, additional buses may be added.

Q. What happens if I miss the bus back from the beach?
A. This is a public transportation service and buses will leave on time unless delayed due to traffic and other conditions. Riders missing the last bus of the day will need to make their own travel arrangements home. There are a limited number of seats on the last returning bus. If you took an earlier bus to the beach you are encouraged to take an earlier bus back. If you wait for the last bus, there may not be enough seats available and you will have to find another way home.
