Senior Code Compliance Officer

**Purpose of the role:**
Under direction, the Senior Code Compliance Officer provides lead supervision to assigned code compliance staff; assists in planning the work, schedules and supervision of staff; conducts inspections and investigations pertaining to the violations including municipal code provisions in the zoning ordinance, sanitary regulations, business license regulations, and the nuisance abatement ordinance; interprets, enforces and explains regulations relating to zoning, land use, building, abandoned vehicle abatement, planning, and related codes; interacts with the public in potentially volatile situations; and performs related duties as required.

**Distinguishing Characteristics:**
This is the advanced journey level class in the Code Compliance Officer series. Positions at this level are distinguished from other classes within the series by the level of responsibility assumed and the complexity of duties assigned, the non-routine, non-recurring nature of most assignments. Incumbents in this class may also function in a lead capacity over other Code Compliance Officers. Employees perform the most difficult and responsible types of duties assigned to classes within this series. Employees at this level are required to be fully trained in all procedures related to assigned area of responsibility.

**Essential Duties and Responsibilities:**
The following duties are typical for this classification. Incumbents may not perform all of the listed duties and/or may be required to perform additional or different duties from those set forth below to address business needs and changing business practices.

- Assists in planning, organizing, prioritizing, scheduling, coordinating, supervising and evaluating the work of code compliance staff; provides technical assistance to staff as necessary.
- Assists in providing staff training and development; training assigned employees in their areas of work including methods, procedures, and techniques.
- Assists in verifying the work of assigned employees for accuracy, proper work methods, techniques, and compliance with applicable standards and regulations; assists in ensuring adherence to safe work practices and procedures.
- Assists in the development and implementation of goals, objectives, policies, procedures and work standards for the section; participates in long-term planning to assess future needs.
• Conducts technical field inspections and investigations to determine compliance of residential, commercial and industrial buildings with zoning ordinances, conditions of zoning variance, special use, and other conditioned permits.

• Receives and investigates public complaints; conducts on-site inspections and determines existence and type of code violation; investigates and attempts to correct violations of the zoning ordinance and conditioned permits; prepares cases for court proceedings of unresolved cases; testifies in court actions as necessary.

• Issues corrective notices and orders to comply for code violations; interprets and explains municipal codes and ordinances to members of the general public, contractors, business owners, and other interested groups.

• Prepares and issues Notices of Violation, Abatement in accordance with City codes; prepares, under rules established in the penal code, documentation, correspondence and reports regarding investigations and cases; produces photographs and records of violations for purpose of evidence in court; prepares cases for prosecution or council action as needed and provides any other information in accordance with proper procedures of court evidence; conducts research of property; represents the City in court regarding enforcement of non-compliance.

• Investigates and provides for the removal of abandoned vehicles on private property under procedures established in the vehicle code.

• May assist the public in processing applications and answering questions concerning Community Development Department requirements and procedures; processes, approves, and/or investigates applications for farm animal permits, home occupation permits, alcoholic beverage permits, special event permits, and disabled access complaints.

• May process residential building inspection reports on Municipal Code violations for resale of private residences.

• May process Certificates of Occupancy for commercial properties.

• Inspects and approves requests for removal of hazardous oak and landmark trees or dangerous limbs.

• Investigates complaints and enforces smoking ordinance violations.

• Oversees and responds to citizens submitting concerns through the Citizen Response Management System (CRMS).

• Conducts Owner Occupancy Verifications as necessary.

• Responds to public inquires in a courteous manner; provides information within the area of assignment; resolves complaints in an efficient and timely manner.

• Performs related duties as required.
The following generally describes the knowledge and ability required to enter the job and/or be learned within a short period of time in order to successfully perform the assigned duties.

**Knowledge of:**
- Operations, services, and activities of a municipal code compliance program.
