1. **Introduction**

**Housing Collaborations for preservation of existing affordable housing units**

The City of Thousand Oaks collaborates with the following local housing providers:

- The Area Housing Authority of the County of Ventura (AHA); local Public Housing Authority (PHA).
- Many Mansions, a private, non-profit Community Housing Development Organization (CHDO).
- Senior Alliance for Empowerment (SAFE), a private, non-profit agency that advocates for seniors living in low-income, mobile home parks.
- Habitat for Humanity of Ventura County, a private, non-profit agency with affiliates around the world that uses volunteer labor to rehabilitate aging homes, install ADA-compliant improvements, and construct new single-family homes for low-income households.

**Public and Social Services Collaborations**

The City supports the local safety net for at-risk households by matching 15 percent of the annual CDBG grant with at least $100,000 from the City Social Services Endowment Fund (SSEF), a General Fund resource. The City partners with over 25 public and private social services providers to ensure that the most vulnerable City residents have access to essential services, including health, nutrition, and, as available, emergency shelter.

**Continuum of Care, Fair Housing, Public Safety and Other Regional Collaborations**

The City of Thousand Oaks collaborates with the County of Ventura for fire and police services and for the regional coordination of the Ventura County Continuum of Care Alliance.

The City partners with the County Executive Office, and with other Ventura County cities, on the preparation of regional elements comprising the 2015-2019 Consolidated Plan for the U.S. Department of Housing and Urban Development (HUD).

This collaboration includes an update of the Analysis of Impediments (AI) to Fair Housing Choice in Ventura County. The City also collaborates with the County of Ventura and the Housing Rights Center of Los Angeles on a Fair Housing counseling program for Thousand Oaks residents.
Provide a concise summary of the jurisdiction’s activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l)).

Efforts to Promote Decent Housing

Prior to 2012, the City and the former Thousand Oaks Redevelopment Agency (RDA) invested $62 million to construct new, multi-family affordable rental housing units, including $9.2 million invested in public housing. In addition, the City of Thousand Oaks has invested several millions in CDBG funds for multi-family unit rehabilitation at Area Housing Authority (AHA) and Many Mansions-owned affordable housing complexes. In 2013, the City began using CDBG funds for a single-family, low-income, owner-occupied rehabilitation program. Housing rehabilitation activities will continue for the new CDBG program year beginning July 1, 2019.

The City’s Efforts to Support the Delivery of Public and Social Servicers:

Each year, the City of Thousand Oaks leverages 15 percent of the City CDBG entitlement grant with at least $100,000 from the City General Fund Social Services Endowment Fund (SSEF). These funds are used to provide Non-Homeless Supportive Services through non-profit subrecipients.

The City also partners with the County of Ventura and the Housing Rights Center of Los Angeles on a Fair Housing counseling program and supports the Ventura County Continuum of Care Alliance, chaired by the County of Ventura, County Executive Office.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The City of Thousand Oaks collaborates with the Ventura County Continuum of Care Alliance and with various public and social services providers (local safety net) to address the needs of homeless persons and non-homeless persons with special needs. The City does not receive ESG funds from HUD.

The City collaborates with the following entities on behalf of the regional Ventura County Continuum of Care Alliance:

- The County of Ventura, County Executive Office
- The Area Housing Authority of the County of Ventura
- Many Mansions
- United Way of Ventura County
- The Ventura Council of Governments.
The City of Thousand Oaks participates in the local Continuum of Care by awarding supportive grants to local public and social service agencies catering to the basic housing, medical and welfare needs of homeless persons and those at-risk for homelessness. The City leverages 15% of the annual CDBG grant with at least $100,000 from the City General Fund Social Service Endowment Fund (SSEF) to fund supportive grants to 25 local safety net agencies that assist youth, families, seniors, and the disabled through life-enhancing programs and services.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction’s area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The City of Thousand Oaks does not receive ESG funding. The City participates in the Ventura County Continuum of Care Alliance (CoC) and collaborates with local public and social services agencies that administer HMIS for the local Continuum of Care region. The CoC has seen a significant increase in participation as an infusion of State of California funding included requirements to participate in HMIS and coordinated entry through the Pathways to Home system. The CoC has a focus to place most vulnerable homeless persons in permanent housing as quickly as possible. The CoC has oversight to subcommittees in the areas of a) Data and Systems Performance, b) Housing and Services, c) HMIS, and d) Public Information and Outreach.

1. Summary of citizen participation process/Efforts made to broaden citizen participation
Summarize citizen participation process and how it impacted goal-setting

1. PY 2015-19 Consolidated Plan Needs Assessment – Administrative Hearing (9/29/14)

- As part of a regional outreach for the 2015-19 Ventura County Consolidated Plan, which includes the County of Ventura, the City of Thousand Oaks and other Ventura County cities, on 9/29/2014, the City of Thousand Oaks held a 2015-19 Consolidated Plan Workshop #5.
- Included in the workshop was an opportunity (Administrative Hearing) for stakeholders and members of the public to identify unmet needs that could be addressed by the City using CDBG funds. Details of the event are included in the Citizen Participation Outreach section of this Annual Action Plan. The process culminated in the Countywide approval of the 2015-19 Ventura County Regional Consolidated Plan in April –May 2015.

2. Annual Action Plan Needs Assessment (10/1/18 to 1/15/19)

- The City opened the 2019-20 CDBG Needs Assessment process on 10/01/2018 by posting a CDBG Request for Proposals (Application) on the City website.
- The City formal Needs Assessment public hearing was held on 12/17/2018 to accept public and stakeholder comments on the needs of the City lower-income populations that could potentially be addressed with 2019-20 CDBG funds. Ten speakers participated in the hearing, as described elsewhere in this document.
- The formal Needs Assessment period closed on 1/15/2019 with the receipt by the City of seven PY 2019 CDBG applications, addressed in detail elsewhere in this document.

HUD had not released PY 2019 CDBG allocation amount, as of April 1, 2019, therefore the City prepared an estimated CDBG budget for public review as described in HUD Notice CPD-19-01. The City provided this draft for 30-days of public review/comment from April 12, 2019, to May 14, 2019. The document was posted to the City website and a paper copy made available for public review at the Community Development Department public counter. In addition, paper or electronic copies will be provided, on request, to any interested person. All comments received by the City pertaining to the Annual Action Plan will be accepted and included as an exhibit to the final Annual Action Plan. Five years of the City CDBG documents are posted online for public review.
4. City Council Public Hearing

Following 30 days of public review (April 12 – May 14, 2019), the draft PY 2019-20 CDBG Annual Action Plan was reviewed by the Thousand Oaks City Council at a final public hearing at 6:00 p.m., Monday, May 14, 2019. Following the public hearing, the City Council voted to unanimously (5-0 vote) approve the document for submission to HUD and authorized the City Manager to proportionately adjust the allocations if HUD revises the amount of the CDBG grant and authorize the City Manager to finalize and execute related documents in connection with the CDBG Action Plan. A list of the public speakers from the May 14, 2019, public hearing is included in the final version of this Action Plan.

Table 5 - Expected Resources – Priority Table
Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

In PY 2019, up to 15% of the CDBG entitlement grant of $86,126.00 for public and social services will leverage $100,000 from the City General Fund Social Services Endowment Fund (SSEF) to increase the budget for grants to local non-profit agencies providing essential services to low-income persons and households to $186,126.00.

If appropriate, describe publicly owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

This item is not applicable to the City of Thousand Oaks.

Table 7 – Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

Following the dissolution of redevelopment agencies throughout California in 2012, the City lost $4 million annually in local, tax-increment funds to finance the construction of new affordable housing units and to maintain/preserve existing units. The preservation of existing multi-family and single-family affordable housing units is one of the highest priority needs for the City. In addition, there is a need for the City to support the local delivery of essential public and social services to primarily very low-income persons and households. The number of persons seeking services increases yearly, particularly for seniors and disabled persons.

**Rationale for the priorities for allocating investments geographically**

According to the American Community Survey Data (2011-2015) and 2019 Exception Percentage of 36.50% for the City of Thousand Oaks, the above listed census tract block group locations are inside CDBG-eligible areas. Activities located outside low-mod block groups, qualify for CDBG funding based on beneficiary income.

**Discussion**

All sites selected for CDBG funded activities in 2019-20 are located within HUD-designated low-income block groups or qualify based on beneficiary income.
**Affordable Housing**

**AP-55 Affordable Housing - 91.220(g)**

Introduction

The City of Thousand Oaks is a member of the Ventura County Continuum of Care Alliance, a collaborative group dedicated to promoting a safe, desirable and thriving community by ending homelessness in Ventura County. In 2019, the Alliance adopted the Ventura County Plan to Prevent and End Homelessness.

The City PY 2019 Annual Action Plan includes an activity to rehabilitate 13 units with permanent supportive housing for persons with special needs, located at the Richmond Terrace Apartments.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The City of Thousand Oaks supports Lutheran Social Services (LSS), Thousand Oaks which operates a homeless, drop-in center at 80 East Hillcrest Dr #101, Thousand Oaks, CA 91360. Located in the Human Services Center, 80 E. Hillcrest Drive, Thousand Oaks, LSS and other local non-profits assist the homeless to find shelter, employment, medical care, and other necessities.

Addressing the emergency shelter and transitional housing needs of homeless persons

The City of Thousand Oaks is a member of the Ventura County Continuum of Care Task Force which seeks to assist homeless persons through the following facilities and services in Thousand Oaks:

- Rapid Re-Housing Expansion Project c/o Lutheran Social Services, 80 E. Hillcrest Dr #101, Thousand Oaks, CA 91360.
- The City supports the County of Ventura RAIN Transitional Housing Facility, a regional facility that serves Thousand Oaks and other areas with a grant of CDBG funds.
- The City supports the Turning Point Foundation, Our Place Safe Haven, a facility that services homeless, mentally ill adults from Thousand Oaks through the overnight shelter and case management with a grant of CDBG funds.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals
and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

Homeless individuals can apply for assistance, emergency shelter and benefits at Lutheran Social Services, 80 East Hillcrest Drive, #101, Thousand Oaks, CA 91360.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

Through the public and social services grant program, the City supports non-profit agencies that assist homeless persons and those at-risk of becoming homeless including:

- Lutheran Social Services, 80 East Hillcrest Dr #101, Thousand Oaks, CA 91360.
- Conejo Free Clinic, 80 East Hillcrest Dr #102, Thousand Oaks, CA 91360.
- Westminster Free Clinic, 1000 E. Janss Road, Thousand Oaks, CA 91360.

The Ventura County Health Care Agency provides health assessment, diagnosis, and treatment for homeless or transitionally homeless persons at the Conejo Valley Family Medical- Urgent Care, 125 W. Thousand Oaks Blvd. #200, Thousand Oaks, CA 91360.

AP-75 Action Plan Barriers to Affordable Housing - 91.220(j)

Introduction

Prior to the adoption of the City 2014-2021 Housing Element, several ordinances were adopted by the City Council that lessened the potential for City policies to act as barriers to the development of new affordable housing. As described below, Ordinances 1547-NS, 1555-NS and 1569-NS, amended the Municipal Code to facilitate the development of future affordable housing units. The City continues to take steps to remove governmental constraints on the maintenance, improvement, and development of housing.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

Pursuant to the 2014-2021 Housing Element update, the City is implementing the terms of the following revised City policies, all of which facilitate the development of housing for special needs persons.

For example, Ordinance 1547-NS defines transitional and supportive housing such that they are permitted subject to the same standards as conventional residential uses of the same types in the same zones. This ordinance also removes constraints on housing for disabled persons by (a) establishing procedures for making reasonable accommodations, and (b) removing the limit on the number of unrelated persons that can live together as a family.

Ordinance 1555-NS revises the findings for approval of a residential planned development permit to avoid any developmental constraint, and Ordinance 1569-NS allows parking structures and reduced setbacks for buildings over 25 feet high to accommodate affordable housing.

In February 2015, the Conejo Recreation and Park District (CRPD) voted to reduce State-mandated Quimby fees for Thousand Oaks Boulevard, clearing a major financial hurdle for developers seeking to build multi-family housing on the Boulevard. The CRPD board voted to allow developers seeking to build within the Thousand Oaks Boulevard Specific Plan area, from Duesenberg Drive in the east to Moorpark Road to the west, to pay a set fee of $9,533 per unit beginning this year. The fee will increase 3 percent annually which roughly mirrors the increase in property value in the City.

In November 2018, the Hill and Woolsey Fires destroyed or damaged 73 residences. To remove governmental constraints, the City initiated an expedited process to help homeowners rebuild their fire-damaged homes and designated a City Fire Recovery Concierge to assist property owners in recovering and rebuilding as quickly as possible.

The Community Development Department maintains brochures at its public counter to inform contractors, property owners and renters of the options to reduce the adverse effects of lead paint and lead dust in privately-owned buildings.

Meeting Notes

Call to Order:

Community Development Operations Manager Marjan Behzadi called the meeting to order at 6:00 p.m. 16 persons were present. After a brief welcome, Ms. Behzadi recognized Housing Coordinator Lynn Oshita for staff comments.

Staff Comments:

The City of Thousand Oaks annually receives an entitlement grant from the Federal government known as the Community Development Block Grant (CDBG). These funds are provided by the U.S. Department of Housing and Urban Development (HUD). CDBG funding must be used to primarily benefit lower-income persons or households.

- The July 1, 2019 CDBG grant is estimated to total approximately $558,000. Sixty-five percent of this amount or $362,700 would be available for community development projects. In addition, the City has $31,445 available from prior years that could be allocated to 2019 activities. Therefore, for planning purposes, currently the City expects to have an approximate budget of $394,145 in CDBG funds available for residential rehabilitation and other community improvements from July 2019 through June 2020.

- Now through Tuesday, January 15, 2019, the City is soliciting CDBG funding applications from non-profit agencies seeking an award of CDBG funds to address an unmet need of the lower-income population. The application can be found on the City’s website www.toaks.org on the Community Development page.

- CDBG funds are limited and application process is competitive.

- Both Federal Davis-Bacon laws and State of California prevailing wage laws would apply to all projects that do not involve affordable housing units. The State considers funding to these activity types as a public work project and benefit to the public.

- After receiving CDBG funding applications for 2019-20, staff will evaluate the proposals and prepare a proposed spending plan that is expected to be available for 30 days of public review, as soon as HUD advises the City of the actual dollar amount of the City’s 2019-20 CDBG entitlement grant. The City’s CDBG funding year begins in July 2019 and ends in June 2020.

This past Fall, the City Council took the following actions:
• In October, the City Council declared a shelter crisis in the City under Resolution 2018-067 and has agreed to work collaboratively with the County of Ventura and the 9 other Ventura County cities. The City continues to support a regional coordinated approach in solving the countywide homelessness issue. The City has made this a high priority.

• Last month, the City Council consolidated the Community Grants Programs which included the Social Service Endowment Fund (SSEF) grants. The Social Service Ad Hoc Committee made its last recommendation to Council in June based upon a 2-year grant application for Fiscal Years 2018-19 and 2019-20.

• The new Community Funding Review Committee will conduct an annual review of SSEF grant applications starting with the July 2020 grants.

• CDBG public service grant applications will not be evaluated with this new Community Grants Committee but will be evaluated by City Staff annually.

• The current public service grants are in their 1st year of the 2-year grant application cycle. City Staff will be reviewing and evaluating all current public social grants as it prepares for the proposed 2019 (to) 2020 budget.

In compliance with the City’s “Citizen Participation Plan,” under City Council Resolution 2015-023, this administrative hearing is being held to receive public comment on the needs of the City’s lower-income persons. These needs may potentially be addressed by the City using CDBG funds or another funding resource.

Staff was available to respond to any of your questions about the City’s Low-Income Residents’ Needs Assessment process prior to the opening of the public hearing. Staff provided clarification on the social grant process for FY 2019-20.

Public Comments:

Community Development Operations Manager Marjan Behzadi invited those present to provide comments on the needs of low-income Thousand Oaks residents. Ten speakers were heard. Public comments received are summarized below.

<p>| Public Comments |

| 1. Espy Gonzalez, Program Manager Rain Transitional Living Center | RAIN assists individuals experiencing homelessness transition to permanent housing and provides case management. With CDBG funding, the RAIN continues to assist individuals with the resources necessary to help with employment as well as providing nutritional meals. Without the assistance of CDBG it would be difficult to continue these programs. |</p>

SAFE is an organization that provides a rehabilitation program for very low-income seniors which reside in mobile home parks, including many veterans. 8. Jason Meek, Executive Director  
Turning Point Foundation/Safe Haven  
Non-profit dedicated primarily to serve the homeless population suffering from mental illness. Safe Haven, is the only 24 hr. behavioral health shelter in the County. Thanked the City for their support and continued funding would help their 14 robust programs with ongoing operations, case management, outreach and treating individuals holistically. In 2017 their Thousand Oaks goal was exceeded by 50 percent.

9. Megan Glynn, Chief Officer  
Southeast Ventura County YMCA  
Last year, organization introduced a summer program at Conejo Elementary School, dedicated to children of lower income families which included targeted programs with credentialed teachers, crafts and field trips. At the end of the program, students gained 2 months in reading and 2 ½ months in math. YMCA would like to continue this program and expand program to other schools.

10. Lee Sherman, Grants writer  
Livingston Memorial Visiting Nurse Association  
This organization is Ventura County’s only non-profit provider of comprehensive home health, medical hospice and family support operating since 1947. The organization provides a continuum of care that starts in a hospital and shifts to home care. Organization does not turn anyone away despite of their diagnosis and inability to pay. Thanked the City for their support.

Exhibit A
Requests for CDBG Funding

From November 1, 2018 through January 15, 2019, the City solicited public comments and applications from community stakeholders for potential CDBG-funded activities that would address the unmet needs of at-risk Thousand Oaks residents. During this period the City held an administrative Needs Assessment public hearing on Monday, December 17, 2018. Ten speakers provided testimony on the needs of the low-income persons in the city. At the end of the Need Assessment period, the City received one written comment.

Community Development Project Applications

The City received 7 Community Development project proposals during the Need Assessment period. Due to a shortage of housing, extremely low vacancies and the high cost of living in the City, many families and individuals continue to experience housing insecurity, homelessness, and risk of becoming homeless. The preservation of existing multi-family and single-family affordable housing units is one of the highest priority needs for the City, now that redevelopment funding has been eliminated, the City no longer has the resources to invest in apartment acquisition or construction.

Public Service Applications

Within the CDBG HUD program, a maximum of fifteen percent (15%) of total annual funding may be used for public service activities. The Social Service Ad Hoc Committee (SSAHC) made its last recommendation to Council in June 2018 based upon a 2-year grant application for Fiscal Years 2018-19 and 2019-2020 which included the Social Service Endowment Fund (SSEF) and CDBG Public Service funded grant activities. The following list identifies the public service applications received.

There is a need for the City to support the local delivery of essential public and social services to primarily the vulnerable population including persons who are homeless or at risk of homelessness, and very low-income persons and households. The number of persons seeking services increases yearly, particularly for seniors and disabled persons.

Specific Community Development Block Grant Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

Following a Plan -- It is following a current consolidated plan that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).

2. Overall Benefit. The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program year(s) 2019-20 (One Year) [a period specified by the grantee of one, two, or three specific consecutive program years], shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.

3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and

2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.
Compliance with Anti-discrimination laws -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the Fair Housing Act (42 U.S.C. 3601-3619) and implementing regulations.

Lead-Based Paint -- Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, Subparts A, B, J, K and R.

Compliance with Laws -- It will comply with applicable laws.
