To Whom it May Concern:

I am writing to ask that you stop the Cannabis Dispensary from opening in our community. I have lived in this community for over 14 years with my children. This is a very family oriented community and I don't believe that a Cannabis Dispensary is in alignment with the values of our area or the type of community culture that we want to further. Moreover, this facility would be located in close proximity to the residences of hundreds of children and MB2, a facility frequented by children and their families. There are many schools that are also just down the street including elementary schools. Without debating whether or not this type of facility should be allowed period, there are plenty of other places that this facility could be located that don't involve close proximity to children and their families. As a long time community resident, I strongly oppose this facility opening in our area.

Thank you for your time and attention to this matter,

MS. Ross
