

Kanan Shuttle COVID-19 Response

Aug 5, 2020

Kanan Shuttle will continue to run on the non-school day (reduced) service schedule until further notice. We want to assure you that during the COVID-19 pandemic, as always, your safety remains our highest priority.

We also wanted to share the steps we are taking to reduce health risks to riders:

Enhancing Cleaning: We have increased frequency of cleaning on our fleets to multiple times a day. We utilize recommended disinfectants to wipe down surfaces and equipment, with specific emphasis on high touchpoints.

Increasing Supplies of Antibacterial Products: We have increased available supplies to staff and drivers, such as antibacterial hand sanitizer, wipes, and made them available throughout employee workspaces.

Reinforcing Good Hygiene Practices: We are sharing with employees and passengers the best ways to prevent against communicable diseases, as well as implementing social distancing techniques.

Face Coverings: Masks are required onboard the vehicles and are distributed as needed.

If you would like more information on the coronavirus, please visit www.vcemergency.com

Thank you for your cooperation in helping to keep our community healthy!
