There is a housing shortage in Thousand Oaks, the proposed hill has one of the best views in the Conejo Valley and would be better serve as housing instead of being an eye sore up on the hill for a self storage building.

I would oppose the construction of another self storage facility in that spot, it is not ideal for the large type of moving trucks that would need access. Willow Lane is treacherously narrow, especially right there... and I'm not sure more traffic and construction is good for the residents in that area and for the city overall.
