Hello,

**I am absolutely opposed to this.** Please please do not open the door to begin allowing the removal of our oak trees - they are the symbol of our community! I do not know the owners of this property, but I assume they are new to the area because they have no regard for our community or its legacy. I have witnessed first-hand as they have turned this once quiet and beautiful neighborhood into a never-ending construction zone with 6 – 12 cars stacked and double parked on the streets EVERY DAY for over a year, along with dumpsters, portable restrooms, piles of lumber and brick, trash, plastic, etc. I have almost been hit several times while walking my dogs because there is no room for cars to squeeze through - PLEASE drive by ANY DAY and you'll see what I mean. They have already changed the face our beautiful neighborhood by constructing a new, towering pool house, right by the street where there were once trees and vegetation, and now they want to remove our precious oaks? **Please don't allow this.** Clearly these people have money to get whatever they want but please don't let them continue to destroy our home. Based on what I've seen over the past few years, I am sure they will get their way – if their request is not granted, I have little doubt that they will proceed however they want and pay the fines later. They will get what they want, and our community will die a little more. All I ask is that you not help them in the speedy destruction of our home.
