DISABILITY ACCESS REQUIREMENTS AND RESOURCES

NOTICE TO APPLICANTS FOR BUSINESS LICENSES AND COMMERCIAL BUILDING PERMITS:

CERTIFIED ACCESS SPECIALIST INSPECTION SERVICES

Compliance with state and federal construction-related accessibility standards ensures that public places are accessible and available to individuals with disabilities. Whether your business is moving into a newly constructed facility or you are planning an alteration to your current facility, by engaging the services of a Certified Access Specialist (CASp) early in this process you will benefit from the advantages of compliance and under the Construction-Related Accessibility Standards Compliance Act (CRASCA, Civil Code 55.51-55.545), also benefit from legal protections.

Although your new facility may have already been permitted and approved by the building department, it is important to obtain CASp inspection services after your move-in because unintended access barriers and violations can be created, for example, placing your furniture and equipment in areas required to be maintained clear of obstructions. For planned alterations, a CASp can provide plan review of your improvement plans and an access compliance evaluation of the public accommodation areas of your facility that may not be part of the alteration.

A CASp is a professional who has been certified by the State of California to have specialized knowledge regarding the applicability of accessibility standards. CASp inspection reports prepared according to CRASCA entitle business and facility owners to specific legal benefits, in the event that a construction-related accessibility claim is filed against them.

To find a CASp, visit www.apps2.dgs.ca.gov/DSA/casp/casp_certified_list.aspx.

PREVENTION OF GENDER-BASED DISCRIMINATION: BUSINESS ESTABLISHMENTS' LEGAL OBLIGATIONS

The [Gender Tax Repeal Act of 1995](#) (Act) prohibits a business from discriminating based on a person's gender for prices of similar or like-kind goods and services. However, the Act does not prohibit price differences based on the amount of time, difficulty, or cost of providing the services.

In addition to prohibiting discrimination based on a person's gender, the Act **requires certain businesses** to clearly and conspicuously disclose to customers in writing the pricing for each standard service provided. The posting requirement applies to:

- Barbers and hair salons
- Tailors or businesses providing aftermarket clothing alterations
- Dry cleaners and laundries providing services to individuals

These businesses must follow **specific posting requirements**. The price list must:

- Clearly and completely display pricing for every standard service, which means the 15 most-frequently requested services.
- Use a font 14-point boldface or larger.
- Be posted in an area conspicuous to customers.

The business establishment must also provide a customer with a **complete written price list** upon request.

In addition, the business establishment **must display in a conspicuous place at least one sign**—printed in no less than 24-point boldface type—that states:

CALIFORNIA LAW PROHIBITS ANY BUSINESS ESTABLISHMENT FROM DISCRIMINATING, WITH RESPECT TO THE PRICE CHARGED FOR SERVICES OF SIMILAR OR LIKE KIND, AGAINST A PERSON BECAUSE OF THE PERSON'S GENDER. A COMPLETE PRICE LIST IS AVAILABLE UPON REQUEST.

Business establishments **may be fined \$1,000** for failing to correct within 30 days a violation of any of the requirements after receiving a written notice. The 30-day correction period only applies to posting violations and not to discriminatory pricing violations.

In addition, according to Civil Code section 52(a), a business may be liable for any amount determined by a jury, or a court sitting without a jury, up to three times the amount of actual damage but no less than \$4,000, plus any attorney's fees. However, an action under this section does not prohibit an aggrieved party from seeking any other available remedy or procedure.

OTHER PROVISIONS

This Act does not change or affect provisions of the Health and Safety Code, the Insurance Code, or other laws that govern a health care service plan, or insurer underwriting or rating practices.
