All these activities primarily benefit the lower-income population in Thousand Oaks.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

A second Substantial Amendment to the 2019 Action Plan was created for the third tranche, (CDBG-CV3) funds of $779,104. The cumulative granted amount for all allocation rounds is $1,119,120 to prevent, prepare for, and respond to COVID-19.

The City of Thousand Oaks is eligible to receive a special allocation of $340,016 to be used to prevent, prepare for, and respond to COVID-19.

On May 12, 2020, the City Council revised the Citizen Participation Process (Resolution 2020-013). A new section was added for a declared disaster and methods for citizen participation which include a five-day public review period, the option for virtual hearings with real-time responses, and accommodations for persons with disabilities or limited English proficiency which would be made available to the greatest extent possible.

As of May 16, 2020, HUD has made effective the waivers under HUD memorandum dated May 7, 2020, for the City of Thousand Oaks: Availability of a Waiver and Alternate Requirement for the Consolidated Annual Performance And Evaluation Report for Community Planning and Development Grant Programs in Response to the Spread of Coronavirus.

As reported to City Council on May 12, 2020, the local business community in Thousand Oaks has experienced a rapid and sharp decline in business activity due to the Covid-19 pandemic. A First Substantial Amendment to the 2019 Action Plan was created to include the 2020 CDBG-CV1 funds of $340,016 and to add the Economic Development project in response to the declared emergency with COVID-19. A public review period was conducted from June 10 through June 18, 2020. Following the public hearing on June 23, 2020, the City Council approved the Substantial Amendment to the 2019 Action Plan by unanimous vote (4-0).

A Second Substantial Amendment to the 2019 Action Plan was created to include the 2020 CDBG-CV3 funds of $779,104 for COVID-19 related activities in public services and administration in response to the declared emergency. A public review period was conducted from November 9 - 14, 2020, and City Council public hearing on November 17, 2020. Following the public hearing on June 23, 2020, the City Council approved the Substantial Amendment to the 2019 Action Plan by unanimous vote (4-0).

A Third Substantial Amendment to the 2019 Action Plan was created to transfer available CDBG-CV funds from $80,016 in COVID-19 Economic Development and $80,000 in COVID-19 Program Administration funds to COVID-19 Homeless Public Service Activities. A public review period was conducted from March 15 to April 14, 2022, and City Council public hearing on April 26, 2022. Following the public hearing, the City Council approved the Substantial Amendment to the 2019 Action Plan by unanimous vote (5-0).

Public comments and actions by the City Council for the Substantial Amendment to the 2019 Action Plan are in the exhibits section of this report.

**Public and Social Services Collaborations**

The City supports the local safety net for at-risk households by matching 15 percent of the annual CDBG grant with at least $100,000 from the City Social Services Endowment Fund (SSEF), a General Fund resource. The City partners with over 25 public and private social services providers to ensure that the most vulnerable City residents have access to essential services, including health, nutrition, and, as available, emergency shelter.

**Continuum of Care, Fair Housing, Public Safety and Other Regional Collaborations**

The City of Thousand Oaks collaborates with the County of Ventura for fire and police services and for the regional coordination of the Ventura County Continuum of Care Alliance.

The City partners with the County Executive Office, and with other Ventura County cities, on the preparation of regional elements comprising the 2015-2019 Consolidated Plan for the U.S. Department of Housing and Urban Development (HUD).

This collaboration includes an update of the Analysis of Impediments (AI) to Fair Housing Choice in Ventura County. The City also collaborates with the County of Ventura and the Housing Rights Center of Los Angeles on a Fair Housing counseling program for Thousand Oaks residents.
Provide a concise summary of the jurisdiction’s activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l)).

Efforts to Promote Decent Housing

Prior to 2012, the City and the former Thousand Oaks Redevelopment Agency (RDA) invested $62 million to construct new, multi-family affordable rental housing units, including $9.2 million invested in public housing. In addition, the City of Thousand Oaks has invested several millions in CDBG funds for multi-family unit rehabilitation at Area Housing Authority (AHA) and Many Mansions-owned affordable housing complexes. In 2013, the City began using CDBG funds for a single-family, low-income, owner-occupied rehabilitation program. Housing rehabilitation activities will continue for the new CDBG program year beginning July 1, 2019.

The City’s Efforts to Support the Delivery of Public and Social Servicers:

Each year, the City of Thousand Oaks leverages 15 percent of the City CDBG entitlement grant with at least $100,000 from the City General Fund Social Services Endowment Fund (SSEF). These funds are used to provide Non-Homeless Supportive Services through non-profit subrecipients.

The City also partners with the County of Ventura and the Housing Rights Center of Los Angeles on a Fair Housing counseling program and supports the Ventura County Continuum of Care Alliance, chaired by the County of Ventura, County Executive Office.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The City of Thousand Oaks collaborates with the Ventura County Continuum of Care Alliance and with various public and social services providers (local safety net) to address the needs of homeless persons and non-homeless persons with special needs. The City does not receive ESG funds from HUD.

The City collaborates with the following entities on behalf of the regional Ventura County Continuum of Care Alliance:

- The County of Ventura, County Executive Office
- The Area Housing Authority of the County of Ventura
- Many Mansions
- United Way of Ventura County
- The Ventura Council of Governments.
The City of Thousand Oaks participates in the local Continuum of Care by awarding supportive grants to local public and social service agencies catering to the basic housing, medical and welfare needs of homeless persons and those at-risk for homelessness. The City leverages 15% of the annual CDBG grant with at least $100,000 from the City General Fund Social Service Endowment Fund (SSEF) to fund supportive grants to 25 local safety net agencies that assist youth, families, seniors, and the disabled through life-enhancing programs and services.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The City of Thousand Oaks does not receive ESG funding. The City participates in the Ventura County Continuum of Care Alliance (CoC) and collaborates with local public and social services agencies that administer HMIS for the local Continuum of Care region. The CoC has seen a significant increase in participation as an infusion of State of California funding included requirements to participate in HMIS and coordinated entry through the Pathways to Home system. The CoC has a focus to place most vulnerable homeless persons in permanent housing as quickly as possible. The CoC has oversight to subcommittees in the areas of a) Data and Systems Performance, b) Housing and Services, c) HMIS, and d) Public Information and Outreach.

Narrative

The City of Thousand Oaks is collaborating with the Ventura County Regional Continuum of Care Board to address homelessness in Thousand Oaks as part of a multi-jurisdictional approach to update the Plan to End Homelessness in Ventura County. The plan establishes core requirements, practices, and recommendations to end homelessness. This plan forms the development goals for the Strategic Plan.

In addition to comments received during the First and Second Amendments process, the City solicited public comments on the unmet needs of at-risk individuals within the city, made applications available to community stakeholders for COVID-19 Homeless Public Service activities, held an administrative Needs Assessment public hearing, and conducted an applicant workshop in December 2021. At the end of the 60 days Needs Assessment period, City received and reviewed the CDBG-CV Public Services

1. Summary of citizen participation process/Efforts made to broaden citizen participation
Summarize citizen participation process and how it impacted goal-setting

1. PY 2015-19 Consolidated Plan Needs Assessment – Administrative Hearing 9/29/14

As part of regional outreach for the 2015-19 Ventura County Consolidated Plan (RCP), which includes the County of Ventura, the City of Thousand Oaks and other Ventura County cities, on 9/29/2014, the City of Thousand Oaks held a 2015-19 Consolidated Plan Workshop #5 and an opportunity for stakeholders and members of the public to identify unmet needs that could be addressed by the City using CDBG funds. Details of the event are included in the Citizen Participation Outreach section of this Annual Action Plan. The process culminated in the Countywide approval of the 2015-19 RCP in April – May 2015.

2. Annual Action Plan Needs Assessment (10/1/18-1/15/19)

The City opened the 2019-20 CDBG Needs Assessment process on 10/01/18 by posting a CDBG Application on the City website. The City formal Needs Assessment public hearing was held on 12/17/18 to accept public and stakeholder comments on the needs of the City lower-income populations that could potentially be addressed with 2019-20 CDBG funds. Ten speakers participated in the hearing, as described elsewhere in this document. The formal Needs Assessment period closed on 1/15/19 with the receipt by the City of seven PY 2019 CDBG applications, addressed in detail elsewhere in this document.

HUD had not released PY 2019 CDBG allocation amount, as of 4/1/19, therefore the City prepared an estimated CDBG budget for public review as described in HUD Notice CPD-19-01. The City provided this draft for 30-days of public review/comment from 5/12/19 to 5/14/19. The document was posted to the City website and a paper copy made available for public review at the Community Development Department public counter. In addition, paper or electronic copies are provided, by request, to any interested person. All comments received by the City pertaining to the Annual Action Plan will be accepted and included as an exhibit to the final Annual Action Plan. Five years of the City CDBG documents are posted online for public review.

4. City Council Public Hearing

Following 30 days of public review (4/12/19-5/14/19), the draft PY 2019-20 CDBG Annual Action Plan was reviewed by the Thousand Oaks City Council at a final public hearing on 5/14/19. Following the public hearing, the City Council voted (5-0) to approve the document for submission to HUD and authorized the City Manager to proportionately adjust the allocations if HUD revises the amount of the..
CDBG grant and authorize the City Manager to finalize and execute related documents in connection with the CDBG Action Plan.

Substantial Amendment 1. Following a public review (6/9/20-6/18/20), the draft amendment to the 2019 CDBG Action was reviewed by the City Council at a virtual public hearing on 6/23/20. The City Council voted (4-0) to approve the document for submission to HUD and authorized the City Manager to finalize and execute documents related to the amendment.

Substantial Amendment 2. Following a public review (11/9/20-11/14/20) and a virtual City Council Public hearing on 11/17/20, City Council voted (4-0) to approve the amendment for submission to HUD and authorized the City Manager to finalize and execute documents related to the amendment.

Substantial Amendment 3. Following a public review (3/15/22-4/14/22), and a public hearing on 4/26/22, City Council voted (5-0) to approve the amendment and authorize the City Manager to finalize and execute related documents in connection with the Amendment.

Comments from public review and hearing are included in the final version of this Action Plan. City Council minutes are posted on the website www.toaks.org. City Council actions are in the exhibit section of this report.

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

In PY 2019, up to 15% of the CDBG entitlement grant of $86,126.00 for public and social services will leverage $100,000 from the City General Fund Social Services Endowment Fund (SSEF) to increase the budget for grants to local non-profit agencies providing essential services to low-income persons and households to $186,126.00.
If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

This item is not applicable to the City of Thousand Oaks.

Table 7 – Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

Following the dissolution of redevelopment agencies throughout California in 2012, the City lost $4 million annually in local, tax-increment funds to finance the construction of new affordable housing units and to maintain/preserve existing units. The preservation of existing multi-family and single-family affordable housing units is one of the highest priority needs for the City. In addition, there is a need for the City to support the local delivery of essential public and social services to primarily very low-income persons and households. The number of persons seeking services increases yearly, particularly for seniors and disabled persons.

As reported to City Council on May 12, 2020, the local business community in Thousand Oaks has experienced a rapid and sharp decline in business activity due to the Covid-19 pandemic. The
restrictions imposed upon businesses in the interest of public health have brought tremendous financial hardship to this incredibly important sector of the City’s local economy and the workers they employ.

Another recent need has been for public services during the Covid-19 pandemic emergency which includes the need for food, healthcare, housing, and other coronavirus-related matters to support the most vulnerable and extremely low and very low-income Thousand Oaks residents.

The Declaration of Local Health Emergency by the Ventura County Health Officer and the City of Thousand Oaks Proclaiming Existence of a Local Emergency are in the exhibits section of this report.

CDBG-CV funded activities are needed to prevent, prepare for and respond to coronavirus.

AP-65 Homeless and Other Special Needs Activities - 91.220(i)

Introduction

The City of Thousand Oaks is a member of the Ventura County Continuum of Care Alliance, a collaborative group dedicated to promoting a safe, desirable and thriving community by ending homelessness in Ventura County. In 2019, the Alliance adopted the Ventura County Plan to Prevent and End Homelessness.

The City PY 2019 Annual Action Plan includes an activity to rehabilitate 13 units with permanent supportive housing for persons with special needs, located at the Richmond Terrace Apartments.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The City of Thousand Oaks supports Lutheran Social Services (LSS), Thousand Oaks which operates a homeless, drop-in center at 80 East Hillcrest Dr #101, Thousand Oaks, CA 91360. Located in the Human Services Center, 80 E. Hillcrest Drive, Thousand Oaks, LSS and other local non-profits assist the homeless to find shelter, employment, medical care, and other necessities.

Addressing the emergency shelter and transitional housing needs of homeless persons

The City of Thousand Oaks is a member of the Ventura County Continuum of Care Task Force which seeks to assist homeless persons through the following facilities and services in Thousand Oaks:

- Rapid Re-Housing Expansion Project c/o Lutheran Social Services, 80 E. Hillcrest Dr #101, Thousand Oaks, CA 91360.
- The City supports the County of Ventura RAIN Transitional Housing Facility, a regional facility that serves Thousand Oaks and other areas with a grant of CDBG funds.
- The City supports the Turning Point Foundation, Our Place Safe Haven, a facility that services homeless, mentally ill adults from Thousand Oaks through the overnight shelter and case management with a grant of CDBG funds.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals...
and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

Homeless individuals can apply for assistance, emergency shelter and benefits at Lutheran Social Services, 80 East Hillcrest Drive, #101, Thousand Oaks, CA 91360.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

Through the public and social services grant program, the City supports non-profit agencies that assist homeless persons and those at-risk of becoming homeless including:

- Lutheran Social Services, 80 East Hillcrest Dr #101, Thousand Oaks, CA 91360.
- Conejo Free Clinic, 80 East Hillcrest Dr #102, Thousand Oaks, CA 91360.
- Westminster Free Clinic, 1000 E. Janss Road, Thousand Oaks, CA 91360.

The Ventura County Health Care Agency provides health assessment, diagnosis, and treatment for homeless or transitionally homeless persons at the Conejo Valley Family Medical-Urgent Care, 125 W. Thousand Oaks Blvd. #200, Thousand Oaks, CA 91360.

Discussion

The City of Thousand Oaks is not a HOPWA program participating jurisdiction and not an ESG program participating jurisdiction.

CDBG-CV funds will be used to support various non-congregate shelter operations and case management due to COVID-19 for persons experiencing homelessness and are vulnerable to coronavirus as well as public service activities to those who are at risk of becoming homeless due to COVID-19.
Introduction

Prior to the adoption of the City 2014-2021 Housing Element, several ordinances were adopted by the City Council that lessened the potential for City policies to act as barriers to the development of new affordable housing. As described below, Ordinances 1547-NS, 1555-NS and 1569-NS, amended the Municipal Code to facilitate the development of future affordable housing units. The City continues to take steps to remove governmental constraints on the maintenance, improvement, and development of housing.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

Pursuant to the 2014-2021 Housing Element update, the City is implementing the terms of the following revised City policies, all of which facilitate the development of housing for special needs persons.

For example, Ordinance 1547-NS defines transitional and supportive housing such that they are permitted subject to the same standards as conventional residential uses of the same types in the same zones. This ordinance also removes constraints on housing for disabled persons by (a) establishing procedures for making reasonable accommodations, and (b) removing the limit on the number of unrelated persons that can live together as a family.

Ordinance 1555-NS revises the findings for approval of a residential planned development permit to avoid any developmental constraint, and Ordinance 1569-NS allows parking structures and reduced setbacks for buildings over 25 feet high to accommodate affordable housing.

In February 2015, the Conejo Recreation and Park District (CRPD) voted to reduce State-mandated Quimby fees for Thousand Oaks Boulevard, clearing a major financial hurdle for developers seeking to build multi-family housing on the Boulevard. The CRPD board voted to allow developers seeking to build within the Thousand Oaks Boulevard Specific Plan area, from Duesenberg Drive in the east to Moorpark Road to the west, to pay a set fee of $9,533 per unit beginning this year. The fee will increase 3 percent annually which roughly mirrors the increase in property value in the City.

In November 2018, the Hill and Woolsey Fires destroyed or damaged 73 residences. To remove governmental constraints, the City initiated an expedited process to help homeowners rebuild their fire-damaged homes and designated a City Fire Recovery Concierge to assist property owners in recovering and rebuilding as quickly as possible.
Discussion

See above.
**AP-85 Other Actions - 91.220(k)**

**Introduction**

The City collaborated with the County of Ventura and local Ventura County cities on a regional 2015-2019 Ventura County Consolidated Plan. The PY 2019 Annual Action Plan describes the 5th year (2019-20) of the 5-year Consolidated Plan period (July 2015-June 2020). Through the substantial amendment, the CDBG-CV funds are included in the PY 2019 Annual Action Plan. If HUD should make any waiver or alternate requirement available for the City, then the City will request from HUD such waivers and requirements.

**Actions planned to address obstacles to meeting underserved needs**

**Housing Rehabilitation:** With insufficient resources to construct new affordable housing units, the number 1 priority for the City is to preserve existing affordable multi-family and single-family units through residential rehabilitation programs.

**Social Services Endowment Fund (SSEF):** The City annually leverages 15% of its CDBG entitlement grant with at least $100,000 in local Social Services Endowment Funds (SSEF) to support the efforts to approximately 20 providers of public and social services to help address the underserved needs of low- and very low-income City residents.

**Actions planned to foster and maintain affordable housing**

During 2019-20 the City will focus its efforts on residential rehabilitation.

**Multi-Family Improvements.**

- Subrecipient Area Housing Authority of the County of Ventura, the City will conduct elevator modernization to benefit the residents at the 64 public housing units to low-income seniors at the Florence Janss Apartments and 39 units at Glenn Oaks Senior Apartments.
- Subrecipient Many Mansions, the City will rehabilitate through reroofing buildings at the 26 units low-income site, located at the Richmond Terrace Apartments, including 13 units with permanent, supportive services for persons with special needs.

**Single-Family Improvements.**

- Subrecipient, the Senior Alliance for Empowerment (SAFE), the City will rehabilitate 11, low-income, mobile homes occupied by very low-income seniors mobile home parks.
- Subrecipient, Habitat for Humanity, the City will rehabilitate 10 mobile homes, owned/occupied by very low-income households.
Actions planned to reduce lead-based paint hazards

As described in the 2015-19 Ventura Regional Consolidated Plan, SP-65 Lead-based Paint Hazards - 91.215(i), the Childhood Lead Poisoning Prevention Program (CLPPP), a department of Ventura County Health Care Agency, Public Health Department, provides services and information to County residents regarding childhood lead exposure and prevention.

There is no lead-based paint in any publicly owned or publicly assisted rental housing units in Thousand Oaks. The Community Development Department maintains brochures at its public counter to inform contractors, property owners and renters of the options to reduce the adverse effects of lead paint and lead dust in privately-owned buildings. Brochures is posted on the website.

Actions planned to reduce the number of poverty-level families

Public and Social Services Grants Through its non-profit partners that deliver public and social services to at-risk persons and households, the City supports numerous programs that assist working mothers to retain full-time employment through full-time or part-time pre-school programs, after-school tutoring, supplemental food, low or no-cost medical care, and other services. Examples are:

- Lutheran Social Services = Emergency Assistance to Homeless and At-Risk Persons (SSEF Funds)
- Conejo and Westminster Free Clinics = Low-Cost Medical Services (CDBG Funds)
- Manna Conejo Valley = Food Bank (SSEF Funds)
- St. Paschal Baylon/St. Vincent de Paul = Poor and Homeless Assistance (CDBG Funds)
- Conejo Recreation and Park District = Conejo Creek Homework Tutoring (SSEF Funds)

Actions planned to develop institutional structure

To address the needs of lower-income residents and households, the City of Thousand Oaks collaborates with the County of Ventura, the Area Housing Authority of the County of Ventura, non-profit housing provider Many Mansions, the Ventura County Continuum of Care Alliance, the Homelessness Ad Hoc Committee, the Conejo Recreation and Park District, the Conejo Valley Unified School District, Lutheran Social Services, Conejo Free Clinic, Westminster Free Clinic, Senior Concerns, Long Term Care Services of Ventura County, United Cerebral Palsy and at least 12 other non-profit organizations.

Actions planned to enhance coordination between public and private housing and social service agencies

To preserve, repair, and rehabilitate local affordable, single-family and multi-family, rental units the City works closely with:

- The Area Housing Authority of the County of Ventura (AHA);
Non-profit affordable housing provider Many Mansions;
The Senior Alliance for Empowerment (SAFE); and
Habitat for Humanity of Ventura County

The City leverages 15% of the CDBG entitlement grant with at least $100,000 in local Social Services Endowment Funds (SSEF) to increase the number of low- and very low-income persons that can access these services.

Discussion

2019 Monitoring Activities: For this Annual Action Plan, the City will conduct monitoring on CDBG-funded sub-recipients. Items for review are based on the CDBG contract and CDBG monitoring checklist (Exhibit 3-16, Guide for Review of Sub-recipient/Community-Based Development Organization Management). The City will monitor for CDBG compliance, good performance, and generation of program income.

Residential Rehabilitation Programs (Multi-Unit and Single-Family, Owner-Occupancy): The CDBG sub-recipients will be contractually required to administer the Federal prevailing wage and Section 3 programs for activities that require the implementation of those programs. The City will monitor Affordable Rent Standards, as published by the Area Housing Authority of the County of Ventura, which in general are as of 1/1/2019: 0-BR $1,175; 1-BR $1,450; 2-BR $1,850; 3-BR $2,610.

Public/Social Services and CDBG-CV Activities: The purpose of the City monitoring activities is to help ensure that Federal CDBG funds are used in accordance with Federal regulations for program requirements and for determining project compliance. CDBG is governed by Final Rule, 24 CFR Part 85, and 24 CFR Part 570. The basic objective of the monitoring process is for the City to monitor the performance of the Subrecipient/Grantee against goals and performance standards, as stated in their contract. The CDBG procedure manual has been developed and updated to include the CDBG-CV procedures. The Citizen Participation Plan was updated in 2020 with a section for Emergency Disasters added. The CDBG-CV waivers will be used by the City to implement the Coronavirus-related small business and homeless public service programs.

The City is eligible to receive a special allocation of CDBG-CV funds to be used to prevent, prepare for, and respond to the coronavirus (COVID-19). Substantial Amendments to the 2019 Action Plan were created to include the 2020 CDBG-CV funds.

CALL TO ORDER:

Community Development Operations Manager/Hearing Officer Marjan Behzadi called the meeting to order at 6:05 p.m. in the Civic Arts Plaza Boardroom, 2100 Thousand Oaks Boulevard, 3rd Floor, Thousand Oaks, CA 91362. The meeting was conducted in person and via videoconference. In addition to staff, 4 persons were present in person and 14 were present via videoconference. Community Development Analyst Lynn Oshita, IT Supervisor Atanas Beltchev, and Senior Recording Secretary Lori Goor were also present, and Office Supervisor Michelle McMurtry was present via videoconference.

STAFF COMMENTS:

After a brief welcome, Hearing Officer Behzadi recognized Community Development Analyst Oshita for staff comments who reported the City of Thousand Oaks annually receives an entitlement grant from the Federal government known as the Community Development Block Grant or CDBG. These funds are provided by the U.S. Department of Housing and Urban Development (HUD). CDBG funding must be used to primarily benefit low-income persons or households.

- The July 1, 2022 CDBG grant is estimated to be approximately $582,000. Sixty-Five percent of this amount, $378,000 would be available for community development projects and approximately $44,000 available from the prior year, for an approximate budget of $422,000 for community development projects.

- The City expects approximately $118,000 for City administration and $86,000 for public services primarily benefitting low-income households.

- In addition to the regular HUD allocation, the City estimates $235,000 in Special CDBG-CV Cares Act Funding for eligible public services to primarily benefit the homeless and those at risk of becoming homeless through activities related to the Coronavirus. This estimate may increase as funding becomes available. Should there be a compelling urgent need to fund before July 1, 2022, HUD has made waivers available.
• Now through Tuesday, January 18, 2022, the City is soliciting CDBG funding applications from non-profit agencies seeking an award of CDBG or CDBG-CV funds to address an unmet need of the lower-income households. The application can be found on the City’s website www.toaks.org on the Community Development page.

• Staff will evaluate the 2022 CDBG and CDBG-CV proposals and prepare a proposed spending plan that is expected to be available for 30 days of public review, as soon as the HUD advises the City of the actual dollar amount of the City’s entitlement grant. The City’s CDBG funding year begins in July 2022 and ends in June 2023.

In compliance with the City’s “Citizen Participation Plan,” under City Council Resolution 2020-013, this administrative hearing is being held to receive public comment on the needs of the City’s lower-income persons. These needs may potentially be addressed by the City using CDBG funds or another funding resource.

Hearing Officer Behzadi opened the Public Hearing.

Reprogramming of Resources for the
Community Development Block Grant Coronavirus (CDBG-CV)
30-day public review from March 15 to April 14, 2022, and
Scheduled City Council Public Hearing on April 26, 2022

Purpose

In accordance with the Code of Federal Regulations (found under 24 CFR Parts 91.105 and 91.505) and the City’s Citizen Participation Plan under City Council Resolution 2020-013, the City is required to provide citizens with an opportunity to comment on all proposed Substantial Amendments to its Annual Plan. The City wishes to notify the public of a substantial amendment to its 2019 Action Plan. A 30-day public comment period will provide the public with an opportunity to review and comment on this proposed SA #3, beginning on March 15 and ending on April 14, 2022. The SA #3 will be heard at the scheduled City Council Public Hearing on April 26, 2022.

This document provides a summary of the proposed changes. The City has identified changes to the total resources available for the special CDBG-CV pandemic relief funding as provided through the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) and revisions to program allocations.

Background

Following a duly published public review of the Substantial Amendments to the 2019 Action Plan, as well as public hearings, City Council decided to focus the CDBG-CV funds in three areas: 1) COVID-19 Small Business Grant Program for Economic Development, 2) COVID-19 Public Service for the homeless and those at risk of becoming homeless, and 3) COVID-19 Administration.

On June 23, 2020, Substantial Amendment #1 was added to the PY 2019 Action Plan for COVID-19 Economic Development to allocate $340,016 in CDBG CARES Act first tranche (CDBG-CV1) to prevent, prepare for, and respond to COVID-19.

Substantial Amendment #2 which was amended on November 17, 2020, added $779,104 in CDBG CARES Act third tranche (CDBG-CV3) to PY 2019 Action Plan for COVID-19 Public Services, including CDBG administration costs and homelessness-related activities. The cumulative CDBG-CV granted amount for
all allocation rounds is $1,119,120 to prevent, prepare for, and respond to COVID-19.

Substantial Amendment #3 - Available Resources

COVID-19 Public Services project budget will receive a total of $160,016 in funding. Transferable monies include $80,016 in CDBG-CV Economic Development grants and $80,000 in COVID-19 Administration funds. COVID-19 Homeless Public Service Activities will be eligible to use these monies.

The residual balance from the closed IDIS Activity #486 is $28,401.29 and the cancelled IDIS Activity #489 is $50,000 which will also be made available for COVID-19 Public Services. This will bring the total available resources for COVID-19 Homeless Public Services to $238,417.29 as Table 1 demonstrates.

Substantial Amendment #3 - Proposed Program Activities

Normally, CDBG is restricted to fund no more than 15% of the total grant for public service activities, however, the CARES Act removed this restriction for CDBG-CV funding. This provides the City an unprecedented opportunity to access maximum federal resources to offer homeless services to those hardest hit by COVID-19.

The City solicited for public comments regarding the unmet needs of at-risk individuals within the city, made applications available to community stakeholders for COVID-19 Homeless Public Service activities, and held an administrative
Needs Assessment public hearing and a workshop in December 2021. At the end of the Needs Assessment period, City received and reviewed the CDBG-CV Public Services applications and prepared the draft SA#3 for a 30-days public review and comments. Table 2 shows programs recommended for funding in the SA #3 for the COVID-19 Public Services activities to support homeless.

SA #3 will be available on City’s Community Development Department website, [www.toaks.org/cdd](http://www.toaks.org/cdd). NOTICE OF PUBLIC HEARING AND PUBLIC REVIEW

THE PUBLIC IS INVITED to review and comment on draft documents prepared for the U.S. Department of Housing and Urban Development (HUD). The review period is from March 15, 2022, to April 14, 2022. The City Council will consider these documents and any budget updates for recommendations following a public hearing scheduled for the April 26, 2022, City Council meeting.

The documents outline local community development and service needs, as well as how federal funds could be used to address those needs based on budget estimates. Projects associated with the rehabilitation repairs of existing structures are Categorically Exempt from California Environmental Quality Act (CEQA) pursuant to Section 15301 of the State CEQA Guidelines. Public Service Programs and Administration are exempt under CEQA Section 15061(b)(3).

The Draft 2022-23 Action Plan informs HUD on how the City of Thousand Oaks (City) expects to use the estimated $626,000 in annual and prior years’ Community Development Block Grant (CDBG) funds for programs and activities that primarily assist lower-income residents between July 1, 2022, and June 30, 2023. The money will go toward improving the quality of affordable housing units, supporting public and social services, and administering the program.

The Draft Substantial Amendment to the 2019-20 Action Plan (SA 2019 Action Plan) informs HUD how City intends to use the Community Development Block Grant Coronavirus (CDBG-CV) funds. City transferred unused available funds from CDBG-CV Administrative activity and the closed CDBG-CV Economic Development Activity to CDBG-CV Public Services. Approximately $235,000 is available for Public Service activities aimed at preventing, preparing for, and responding to the Coronavirus (COVID-19) pandemic which will largely assist the homeless and lower-income individuals by providing food, health, shelter/housing, and other coronavirus supportive services.

These documents will be available on City’s Community Development Department website, www.toaks.org/cdd. Beginning March 15, 2022, written comments on the draft documents will be accepted by Lynn Oshita, Community Development Analyst at loshita@toaks.org or mailed to City of Thousand Oaks, 2100 Thousand Oaks Blvd, Thousand Oaks, CA 91362.

This City Council PUBLIC HEARING will take place in the Andrew P. Fox City Council Chambers at 2100 East Thousand Oaks Boulevard, Thousand Oaks and via videoconference and/or teleconference on Tuesday, April 26, 2022, at 6:00 p.m., or as soon as the matter can be heard. Wind gusts up to 30 mph spelled trouble Monday for scores of local businesses that have moved their operations outdoors to comply with COVID-related restrictions.

Thrive Dance Center of Newbury Park said it suffered over $30,000 in damage when the winds destroyed the outdoor dance complex it had erected in the parking lot of its studio on Old Conejo Road.

Thrive co-owners Ahjalia Hall and Jennifer Maples said they had invested in the outdoor studio, which included shock absorbent floors, specialized vinyl floor covering, tent canopies and outdoor lighting, along with outdoor safety equipment and parking lot barriers, in the hopes that operating at reduced capacity would help the dance studio “weather the storm” of COVID-19 restrictions.

But the Oct. 26 windstorm upended those plans.

“Everything was mangled into a massive ball of mess,” Maples said.

Hall said the winds came from multiple directions “whipping like a tornado” and bent the structural and they didn’t think it would be damaged.

The studio, which teaches dancers ages 2 to 18, is currently offering its Halloween-themed “Hallo-week,” and students are taking classes in costume and while wearing shoes.

Thrive said it would like to rebuild, but that would require financial resources and the permission of the landlords and business park neighbors. The replacement structure would have to be even more substantial—and expensive. The studio has a GoFundMe page to replace the outdoor dance complex.

The original outdoor complex was built in August and went into use in September.

Hall said she and Maples have been trying to pivot to keep the studio afloat during the pandemic, and Thrive was finally starting to see a small increase in enrollment (which is down 50%) with the use of the outdoor dance area.

“Now everywhere you look is uncertain,” Hall said.

**Other impacts**

High winds were also blamed for taking out the county’s popular drive-thru COVID testing site at Moorpark College, which regularly sees over 400 people a day.

The facility was down from around 1 p.m. Monday until it reopened the next day just before noon. Regular hours are 10 a.m. to 7 p.m.

Ashley Bautista, spokesperson for the County of Ventura, said the canvas on the tents used to shade testing staff was ripped and damaged.

“The wind also caused interior net issues,” she said in an email.

The internet is used to relay information from the site to Ventura County Public Health.

In Thousand Oaks, as is customary during Santa Ana winds, several trees came toppling down, including a giant ash on Janss Road that blocked traffic.

Public Works Director Cliff Finley told the Acorn that his staff responded to 18 calls on Monday for broken tree limbs and palm fronds in the street and three downed trees.

No property damage was reported, and no circuits were impacted by Southern California Edison shut-offs, Finley said.

Acorn editor Kyle Jovety contributed to this article.

RESOLUTION NO. 2020-013

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF THOUSAND OAKS ADOPTING A REVISED CITIZEN PARTICIPATION PLAN FOR LOCAL IMPLEMENTATION OF THE U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT (HUD) CONSOLIDATED PLAN PROCESS AND RESCINDING RESOLUTION NO. 2015-023

WHEREAS, the CITY of Thousand Oaks (CITY), a Community Development Block Grant (CDBG) entitlement community, is required by law to have a Citizen Participation Plan (PLAN) containing policies and procedures for public involvement in the U.S. Department of Housing and Urban Development (HUD) Consolidated Plan process for use of CDBG and/or other HUD funds; and

WHEREAS, preparation of CITY’s 2020-2024 Consolidated Plan (5-year Strategic Plan) for expenditure of CDBG funds between July 1, 2020 and June 30, 2024 provides an opportunity for revising and/or updating the CITY’s existing PLAN.

NOW, THEREFORE, the Thousand Oaks City Council rescinds Resolution No. 2015-023 and, in accordance with 24 CFR 91.105 (a) (1), adopts the following revised procedures for public participation during CITY’s 2020-2024 Consolidated Plan process.

1. Applicability and Purpose of the Citizen Participation Plan (PLAN)

   a. CITY is required by HUD regulations (24 CFR § 91.105) to adopt a Citizen Participation Plan (PLAN) that sets forth the jurisdiction’s policies and procedures for citizen participation in the Consolidated Plan process.

   b. The PLAN’s purpose is to provide for and encourage citizens to participate in development of the Consolidated Plan, any substantial amendments to the Consolidated Plan, and the annual Consolidated Annual Performance and Evaluation Report (CAPER).
2. Participation of Low- and Moderate-Income Persons

a. The requirements of the PLAN herein are especially designed to encourage participation in the Consolidated Plan process by Low- and Moderate-Income persons, particularly those living in slum and blighted areas and/or in areas where CDBG funds are proposed to be used; as well as by residents of predominantly Low- and Moderate-Income CDBG-eligible census tract block groups.

b. For definitional purposes, the term “Low-Income Person” means a member of a household whose gross income is equal to, or less than, the published Section 8 “Very Low-Income” limit established by HUD. Unrelated persons living together shall each be considered as a one-person household for determining gross collective household income.

c. For definitional purposes, the term “Moderate-Income Person” shall mean a member of a household whose gross income is equal to, or less than, the published Section 8 “Low-Income Limit”, and greater than the Section 8 “Very Low-Income” limit established by HUD. Unrelated persons living together shall each be considered as a one-person household for determining gross collective household income.

3. Participation of Other Interested Persons and Organizations

a. CITY will take appropriate actions to encourage participation in Consolidated Plan development by all residents, including minorities, non-English speaking persons, and persons with disabilities. CITY will also encourage participation by local and regional institutions and other organizations in the process of developing and implementing the Consolidated Plan. Collaborators will include businesses, developers, community and faith-based organizations and homeless services providers participating in the regional Continuum of Care process. CITY will explore alternative public involvement techniques and quantitative ways to measure efforts that encourage citizen participation in a shared vision for change in communities and neighborhoods, as well as the review of program performance through the use of focus groups and use of the Internet.

b. CITY will encourage participation in the development and implementation of the Consolidated Plan by public housing agencies, the residents of public and assisted housing developments, and by other Low-Income residents of targeted revitalization areas.
c. CITY will provide Consolidated Plan information to the local public housing agency on proposed and existing HUD-funded investments in the neighborhood and in surrounding communities. CITY will provide said information for dissemination to public housing residents via notices at local public housing facilities and/or at the annual public hearing required for the Public Housing Authority (PHA) Plan.

4. **Public Comment on the Citizen Participation Plan (PLAN) and Amendments**

   a. CITY will provide citizens and all interested persons and groups with a reasonable opportunity to comment on the original PLAN and on proposed Substantial Amendments to the PLAN. CITY will post a copy of the PLAN to the City’s website and make paper copies available to the public at all times. On request, the CITY will make the PLAN available in an alternative format accessible to persons with disabilities.

   b. CITY will provide a period of not less than 30 days to receive comments from citizens on the proposed Consolidated Plan.

   c. During Consolidated Plan preparation, CITY will consider any comments or views of citizens received in writing, or orally at the public hearing(s). CITY has developed a phone-in method to allow public participation during City Council meetings which are closed to physical participation. A summary of these comments or views, and a summary of any comments or views not accepted, and the reasons therefore, will be attached to the final Consolidated Plan.

   d. CITY will provide for at least three (3) public hearings during different stages of the Consolidated Plan process, as described in Section 8 below.

5. **Development of the Consolidated Plan**

   CITY will develop its Consolidated Plan in accordance with the following minimum requirements.

   a. **Consolidated Plan Information**
(1) Prior to adopting a Consolidated Plan, CITY will make available to citizens, public agencies, and other interested parties, information including the amount of assistance CITY expects to receive (including grant funds and program income) and the range of activities that may be undertaken, including the estimated amount that will benefit Low- and Moderate-Income persons.

(2) CITY will publish the proposed Consolidated Plan and related documents, including the Analysis of Impediments to Fair Housing Choice [or Assessment of Fair Housing (AFH)], as applicable, revised following 24 CFR 5.164, as well as the annual Action Plans, on the Community Development Department page of City's website (www.toaks.org). City will also publish a summary of the Consolidated Plan document(s) in the local newspaper of record, the Ventura County Star, as well as in the Thousand Oaks Acorn free newspaper.

CITY will make paper copies of the Consolidated Plan document(s) available for review at City Hall and, on request, at other public buildings. City will also mail a paper copy of the Consolidated Plan document(s) to anyone otherwise unable to access the document(s). The published summary will describe the contents and purpose of the Consolidated Plan document(s) and include a list of the locations where copies of the entire proposed Consolidated Plan may be examined. In addition, CITY will provide a reasonable number of free document copies to citizens and groups that request it.

b. Displacement and Relocation Policies

In accordance with the Uniform Relocation and Real Property Acquisition Policies Act (URA) of 1970, as amended, CITY will take measures to minimize displacement of persons, and to assist any persons displaced, by any HUD-funded activity. As summarized in Exhibit A to this PLAN, the CITY will specify the types and levels of assistance to be made to persons displaced, even if CITY expects no displacement to occur.
6. **Amendments to the Consolidated Plan**

a. **Criteria for Amending the Consolidated Plan**

   CITY will use the following criteria and procedures to amend the Consolidated Plan. CITY will amend the Consolidated Plan when:

   (1) A previously approved Activity is cancelled;
   (2) An Activity, not previously approved, is added;
   (3) A change would affect the Activity’s purpose, scope, location or beneficiaries; or
   (4) For Section 108 loans, a change would affect the Activity’s purpose, scope, location, beneficiaries or funding.

b. **Substantial Amendments**

   Any of the following actions will require City Council approval to process a Substantial Amendment to the previously approved Action Plan. A Substantial Amendment will occur when:

   (1) A new Activity is being funded for the first time. If an Activity was funded in a previous program year, and there is no significant change in the project (purpose, scope, location or beneficiaries), it is not considered a Substantial Amendment.

   (2) A funding change in a current Activity represents:

      (a) More than 10 percent of the jurisdiction’s CDBG funds for the current fiscal year; or
      (b) More than 50 percent of the Activity’s total HOME funding.

   (3) A change in the use of CDBG funds from one eligible Activity to another.

   (4) Each Substantial Amendment shall be noticed by the CITY in a local newspaper of general circulation a minimum of 30 days prior to action by the City Council. Depending upon the amendment and/or the project area, the notice may appear in both an English-language and a Spanish-language newspaper that targets the area of interest.
(5) A summary of public comments or views, and a summary of any comments or views not accepted, and the reasons therefore, will be included in the description of the Amendment forwarded to HUD and published in either the Action Plan or CAPER report.

c. **Minor Amendments**

Less significant Action Plan amendments do not require 30 days of public notice or City Council approval when they meet any of the following criteria:

(1) Total proposed amendment involves less than 10 percent of program year CDBG funding; or

(2) Total proposed amendment involves less than 50 percent of total HOME funding.

Minor Action Plan amendments may be approved administratively by the City Manager. Each such amendment will be incorporated into the Consolidated Plan through publishing in the next Action Plan and/or Consolidated Annual Performance and Evaluation Report (CAPER).

7. **Performance Reports**

   a. CITY will provide citizens with reasonable notice and an opportunity to comment on performance reports. Specifically, CITY will provide notice to the public, at least 30 days before any City Council consideration, of the opportunity to comment on a proposed Consolidated Plan, annual Action Plan, annual Consolidated Performance and Evaluation Report (CAPER), and for each proposed Substantial Amendment to an Action Plan.

   b. In preparing the Performance Report, the CITY will consider the comments or views of citizens received in writing, or orally at public hearings. A summary of these comments and views shall be attached to the final Performance Report.

8. **Public Hearings**

   a. As listed below, during each program year, CITY will hold a minimum of three (3) Consolidated Plan-related public hearings, scheduled at different stages of the program year. Public hearings will address
CITY’s housing and community development needs, development of proposed activities, and review of program performance.

(1) **Annual Needs Assessment Public Hearing**

Each year (between September and January) and prior to the preparation of an annual Action Plan and/or Consolidated Plan, CITY will hold a Needs Assessment public hearing to provide the public with an opportunity to comment on how CDBG funds, and or other public resources, could be used to address the needs of predominantly Low- and Moderate-Income households.

(2) **Annual Action Plan (or Consolidated Plan) Public Hearing**

Each year (generally in April) the CITY will hold a public hearing, prior to City Council consideration of a proposed Action Plan and/or Consolidated Plan, to receive public comment on how the proposed CDBG or other publicly funded activities will address the needs of CITY’s predominantly Lower-Income households. A Consolidated Plan public hearing will be scheduled prior to City Council consideration of a Consolidated Plan that currently occurs every five (5) years.

(3) **Annual Performance Report Public Hearing**

Each September, CITY will hold a public hearing, prior to City Council consideration of a proposed Consolidated Annual Performance and Evaluation Report (CAPER), to receive public comment on how the CDBG, or other publicly funded activities implemented during the program year, addressed the needs of CITY’s predominantly Lower-Income households.

b. **Public Notices**

CITY will provide citizens and other interested parties with adequate notice of:

(1) the start of a 30-day public review and comment period for a HUD document (proposed Action Plan or Consolidated Plan, proposed Substantial Amendment or proposed Performance Report); and/or
(2) the scheduling of a HUD-required public hearing.

(3) Public notices shall be provided, as shown below. Public hearing notices shall include sufficient information to permit informed consent including, but not limited to, the date, time and location of the public hearing and a full description of the Activity that is the subject of the hearing.

(i) A legal notice published in the local newspaper of record, currently the Ventura County Star newspaper;

(ii) A display-type ad in the non-legal section of a local newspaper, such as the Thousand Oaks Acorn free newspaper.

c. Public Hearing Notices

(1) In accordance with paragraph 8 (b) of this PLAN, the public shall be notified at least 14 days in advance of the date of a HUD-related public hearing.

(2) Each of the CITY’s public hearings shall be held at times and locations convenient to potential and actual beneficiaries, and with accommodation for persons with disabilities. All CDBG-related public hearings will be scheduled at 6 pm, or shortly thereafter, to accommodate persons who work full-time. Hearing locations shall be within CDBG-eligible census tract block groups, including City Hall located at 2100 Thousand Oaks Boulevard.

(3) If a significant number of non-English speaking residents are reasonably expected to participate in one of CITY’s HUD-related public hearings, CITY will provide an interpreter to assist in translating public hearing testimony.

d. Public Document Notices

(1) In accordance with paragraph 8 (b) of this document, the public shall be notified in advance of the start of a 30-day review period for a HUD-related public document including,

Residential Anti-Displacement and Relocation Plan

In accordance with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (the "Act"), as amended, and the implementing regulations of the U.S. Department of Housing and Urban Development (HUD) at 49 CFR 24, and as required under Section 104(d) of the Housing and Community Development Act of 1974, as amended, the City of Thousand Oaks certifies that the following provisions are in effect and will be undertaken by the City prior to, and in connection with, any activity, assisted with CDBG or HOME funds, that will result in the displacement and/or relocation of lower-income City residents.

1. The City will replace all occupied and vacant habitable lower-income ("low/moderate-income") housing units demolished or converted to a use other than as lower-income housing, in connection with a project assisted with CDBG or HOME funds.

2. All replacement housing will be provided within three (3) years after the commencement of the demolition or conversion. Before entering into a contract committing the City to provide funds for a project that will directly result in demolition or conversion, the City will make public by publication in a newspaper of general circulation and submit to HUD the following information in writing.

   (a) A description of the proposed assisted project.

   (b) The address, number of bedrooms, and location on a map of lower-income housing that will be demolished or converted to a use other than as lower-income housing, as a result of an assisted project.

   (c) A time schedule for the commencement and completion of the demolition or conversion.

   (d) To the extent known, the address, number of bedrooms and location on a map of the replacement housing that has been, or will be, provided.

   (e) The source of funding and a time schedule for the provision of the replacement housing.

   (f) The basis for concluding that the replacement housing will remain lower-income housing for at least 10 years from the date of initial occupancy.

3. To the extent that the specific location of the replacement housing and other data in items (a) through (f) above are not available at the time of the general submission described in paragraph 2 above, the City will identify the general
location of such housing on a map and complete the disclosure and submission requirements as soon as the specific data are available.

4. The City’s Community Development Department (805-449-2500) will be responsible for doing the following:

(a) Provide relocation assistance to lower-income (“low/moderate income”) families and individuals displaced as a result of the conversion or demolition of any lower-income (“low/moderate income”) dwelling unit assisted with CDBG or HOME funds.

(b) Maintain records to track the replacement of lower-income housing ensuring that it is provided within the required period.

(c) Make or provide for relocation payments and other relocation assistance to any lower-income person displaced by the demolition of any housing or the conversion of lower-income housing to another use.

5. Consistent with the goals and objectives of activities assisted under the Act, the City will take the following steps to minimize the direct and/or indirect displacement of persons from their homes. The City will:

(a) Coordinate code compliance activities with its residential rehabilitation and housing assistance programs.

(b) Adopt policies to identify and mitigate the displacement of lower-income persons resulting from the construction of new, multi-family housing.

(c) Adopt policies that provide reasonable protections for lower-income tenants faced with conversion of their rental unit or mobile home unit to a condominium or cooperative unit, or to a non-residential use.

(d) Evaluate housing codes and rehabilitation standards for lower-income housing to prevent undue financial burden on established owners and tenants.

(e) Encourage the rehabilitation of lower-income rental units to allow tenants to remain in the building/complex during and after the rehabilitation, working with unoccupied units first.

(f) Arrange for facilities to house persons who must be relocated temporarily during rehabilitation.

(g) Identify and/or establish counseling centers to provide homeowners and tenants with information on assistance available to help them remain in their neighborhood in the face of revitalization pressures.
Exhibit B

Citizen Participation Process under Declaration of Disaster or Emergency

In the event of a declared disaster or emergency, it may be necessary for the City to expedite substantial amendments to the Consolidated Plan. There are three types of disasters/emergency events that may necessitate an expedited substantial amendment including (1) Man-Made-disasters, (2) Natural disasters, and (3) Terrorism. Man-made disasters can include chemical spills, mass rioting, power outages, dam failure, plant explosions, etc. Natural disasters can include earthquakes, tsunamis, hurricanes, tornadoes, wild fires, flooding and public health issues such as wide-spread disease. Terrorism events include bomb threats, biochemical attacks like the spread of anthrax, or cyber-attacks like hacking, phishing, and virus distribution, etc.

These expedited substantial amendments may include funding new activities and/or the reallocating of funds in order to meet needs resulting from a declared disaster or emergency. Therefore, the City shall adopt any and all process modifications allowed for by the specific orders related to any declaration in order to utilize HUD funds as quickly as possible to meet these needs.

With respect to a declared disaster, the City may elect to use HUD funds to address needs not provided for by the Federal Emergency Management Agency (FEMA) and the Small Business Administration (SBA), or other disaster relief efforts. Funding for disaster relief may not duplicate other efforts undertaken by federal or local sources unless allowed by the federal government. Potential eligible uses of funds are those that are included in this Citizen Participation Plan, the Consolidated Plan, or any other CDBG, HOME, or ESG eligible use. HUD may provide new guidance on eligible uses in which the City will comply with and may utilize as well.

All eligible CDBG activities, including those to address declared disasters or emergencies, must meet one of three national objectives which are: (1) Benefit to low- and moderate-income (LMI) persons; (2) Aid in the prevention of slums or blight; and (3) Meet a need having a particular urgency (referred to urgent need). The City may carry out eligible CDBG activities to meet needs resulting from declared disasters or emergencies under any one of the three national objectives.

Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) (CDBG-CV)

On April 9, 2020, HUD issued a notice on the CARES Act flexibilities for CDBG funds used to support COVID-19 response and plan amendment waiver and summarized as follows:

- For CDBG funding under FY 2019-20, FY 2020-21, and the CARES Act CDBG-CV funds, the City may provide a 5-day notice as allowed under a HUD waiver. To expedite the City’s use of the CDBG-CV funds, HUD waived the requirements
under 42 U.S.C. 12705(a)(2) to the extent that it requires updates to the housing and homeless needs assessment, housing market analysis, and strategic plan and 24 CFR 91.220 and 91.320 to the extent the action plan is limited to a specific program year to permit the City to prepare substantial amendments to the City’s most recent annual action plan, including the 2019 annual action plan. The City will identify the proposed use of all funds and how the funds will be used to prevent, prepare for, and respond to coronavirus. HUD also waived 24 CFR 91.505 to facilitate the use of the CDBG-CV funds to the extent necessary to require submission of the substantial amendment to HUD for review in accordance with 24 CFR 91.500.

- HUD eliminated the 15 percent cap on the amount of grant funds that can be used for public services activities. Following the CARES Act enactment, the cap in section 105(a)(8) of the Housing Community Development Act of 1974 and 24 CFR 570.201(e) has no effect on CDBG-CV grants and no effect on FY 2019-20 and FY 2020-21 CDBG grant funds used for coronavirus efforts.

- The City may use the CDBG-CV grant funds to cover or reimburse costs to prevent, prepare for, and respond to coronavirus incurred by the City, regardless of the date on which such costs were incurred, when those costs comply with CDBG requirements. For other grants, pre-agreement and pre-award cost authority is available under 24 CFR 570.200(h).

- HUD extended the deadline for City to submit action plans and other updates to the City’s consolidated plans submissions for FY 2019-20 and FY 2020-21 to August 16, 2021.

A new state order requires the removal of 10 contaminated structures from the Santa Susana Field Lab, a former rocket engine and nuclear energy testing facility in the hills above Simi Valley.

Under the order, the U.S. Department of Energy must demolish and haul away 10 of the remaining 18 buildings in the so-called radioactive materials handling facilities complex, a 1.5-acre site within the lab’s Area IV. It was built in 1959 to handle nuclear fuel. The DOE owes remediation in Area IV of the 2,850-acre lab, where a partial nuclear meltdown occurred in 1959. Boeing Co. owns 80% of the site, while NASA maintains the remaining 20% that is owned by the federal government.

“The removal of these deteriorating buildings will avoid a release of hazardous substances and minimize risk to the public and environment in the event of a fire followed by heavy rain,” said Russ Edmondson, spokesperson for the Department of Toxic Substances Control.

If a fire were to occur and then rain followed, the deteriorating buildings could release contamination that could contaminate off site, affecting surrounding communities, he said.

When that occurs, it will be the first demolition at the lab in over 13 years.

“We’re pretty excited that we were able to reach an agreement with the state because this enables us to really start cleanup again after over a decade,” DOE Director John Jones told the Acorn. Demolition and removal of the building debris will be done under the requirements of the 2010 Administrative Order on Consent, which governs the cleanup of the field lab’s Area IV.

DOE has reversed remediation in Area IV of the 2,850-acre lab field, where a partial nuclear meltdown occurred in 1959. Boeing Co. owns 80% of the site, while NASA maintains the remaining 20% that is owned by the federal government.

“DOE has decided it’s a priority,” Jones said. “This really lays the groundwork to move toward what everybody wants, and that’s to clean a site.”

Demolition is expected to begin in mid-June and take about six months, Jones said. In that time, officials will continue working with the state to get plans approved for the last eight buildings, which include a machine shop and offices.

Full site remediation, which was supposed to be completed in 2017, has been pushed back to 2034—a timeframe that hasn’t changed, Edmondson said.

The DTSC is working to finalize environmental reports and the project management plan, which outlines how cleanup will be done.

A virtual community meeting will be held at 6 p.m. Thursday, June 11 to discuss the plans.

To participate, go to bit.ly/36YHid or call (415) 466-7000, using the code 66942258.

Duffield told the Acorn in an email, “The best way to protect communities near SSFL is to comply with the 2010 cleanup agreement. That is about to change. We can no longer build things without agreeing to the 2010 agreement—a document isn’t really new since the DOE was notified it was out-of-date low-level radioactive waste facility.

DOE’s obligations to the communities near SSFL (is) to comply with the 2010 consent order, the state’s Administrative Order on Consent, under the requirements of the 2010 agreement—a document isn’t really new since the DOE was notified it was out-of-date low-level radioactive waste facility.

RESOLUTION NO. 2015-023

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF THOUSAND OAKS ADOPTING A REVISED CITIZEN PARTICIPATION PLAN FOR LOCAL IMPLEMENTATION OF THE U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT (HUD) CONSOLIDATED PLAN PROCESS AND RESCINDING RESOLUTION NO. 2010-085

WHEREAS, the CITY of Thousand Oaks (CITY), a Community Development Block Grant (CDBG) entitlement community, is required by law to have a Citizen Participation Plan (PLAN) containing policies and procedures for public involvement in the U.S. Department of Housing and Urban Development (HUD) Consolidated Plan process for use of CDBG and/or other HUD funds; and

WHEREAS, preparation of CITY’s 2015-2019 Consolidated Plan (5-year Strategic Plan) for expenditure of CDBG funds between July 1, 2015 and June 30, 2020 provides an opportunity for revising and/or updating the CITY’s existing PLAN;

NOW, THEREFORE, the Thousand Oaks City Council rescinds Resolution No. 2010-085 and, in accordance with 24 CFR 91.105 (a) (1), adopts the following revised procedures for public participation during CITY’s 2015-2019 Consolidated Plan process.

1. Applicability and Purpose of the Citizen Participation Plan (PLAN)

   a. The CITY is required by HUD regulations (24 CFR § 91.105) to adopt a Citizen Participation Plan (PLAN) that sets forth the jurisdiction’s policies and procedures for citizen participation in the Consolidated Plan process.

   b. The PLAN’s purpose is to provide for and encourage citizens to participate in development of the Consolidated Plan, any substantial amendments to the Consolidated Plan, and the annual Consolidated Annual Performance and Evaluation Report (CAPER).

2. Participation of Low- and Moderate-Income Persons

   a. The herein requirements of the PLAN are especially designed to encourage participation in the Consolidated Plan process by Low- and Moderate-Income persons, particularly those living in slum and blighted areas and/or in areas where CDBG funds are proposed to be
used; as well as by residents of predominantly Low- and Moderate-Income neighborhoods.

b. For definitional purposes, the term “Low-Income Person” means a member of a household whose gross income is equal to, or less than, the published Section 8 “Very Low-Income” limit established by HUD. Unrelated persons living together shall each be considered as a one-person household for determining gross collective household income.

c. For definitional purposes, the term “Moderate-Income Person” shall mean a member of a household whose gross income is equal to, or less than, the published Section 8 “Low-Income Limit”, and greater than the Section 8 “Very Low-Income” limit established by HUD. Unrelated persons living together shall each be considered as a one-person household for determining gross collective household income.

3. Participation of Other Interested Persons and Organizations

a. CITY will take appropriate actions to encourage participation in Consolidated Plan development by all residents, including minorities, non-English speaking persons, and persons with disabilities. CITY will also encourage participation by local and regional institutions and other organizations in the process of developing and implementing the Consolidated Plan. Collaborators will include businesses, developers, community and faith-based organizations and homeless services providers participating in the regional Continuum of Care process. CITY will explore alternative public involvement techniques and quantitative ways to measure efforts that encourage citizen participation in a shared vision for change in communities and neighborhoods, as well as the review of program performance through the use of focus groups, and use of the Internet.

b. CITY will encourage participation in the development and implementation of the Consolidated Plan by public housing agencies, the residents of public and assisted housing developments, and by other Low-Income residents of targeted revitalization areas.

c. CITY will provide Consolidated Plan information to the local public housing agency on proposed and existing HUD-funded investments in the neighborhood and in surrounding communities. CITY will provide said information for dissemination to public housing residents via notices at local public housing facilities and/or at the annual public hearing required for the Public Housing Authority (PHA) Plan.

4. Public Comment on the Citizen Participation Plan (PLAN) and Amendments
a. CITY will provide citizens and all interested persons and groups with a reasonable opportunity to comment on the original PLAN and on proposed Substantial Amendments to the PLAN. CITY will post a copy of the PLAN to the City's Internet website and make paper copies available to the public at all times. On request, the CITY will make the PLAN available in an alternative format accessible to persons with disabilities.

b. CITY will provide a period of not less than 30 days to receive comments from citizens on the proposed Consolidated Plan.

c. During Consolidated Plan preparation, CITY will consider any comments or views of citizens received in writing, or orally at the public hearing(s). A summary of these comments or views, and a summary of any comments or views not accepted, and the reasons therefore, will be attached to the final Consolidated Plan.

d. CITY will provide for at least three (3) public hearings during different stages of the Consolidated Plan process, as described in Section 8 below.

5. Development of the Consolidated Plan

CITY will develop its Consolidated Plan in accordance with the following minimum requirements.

a. Consolidated Plan Information

(i) Prior to adopting a Consolidated Plan, CITY will make available to citizens, public agencies, and other interested parties, information including the amount of assistance CITY expects to receive (including grant funds and program income) and the range of activities that may be undertaken, including the estimated amount that will benefit Low- and Moderate-Income persons.

(ii) CITY will publish the proposed Consolidated Plan, and related documents including the Analysis of Impediments to Fair Housing Choice, and the annual Action Plans, on the City's internet website (www.toaks.org) via the Community Development Department page. City will also publish a summary of the Consolidated Plan document(s) in the local newspaper of record, the Ventura County Star, as well as in the Thousand Oaks Acorn free newspaper.
City will also notify the public via information on the City's 24-hour government access cable TV channel. The City will also make paper copies of the Consolidated Plan document(s) available for review at City Hall and, on request, at other public buildings. The City will also mail a paper copy of the Consolidated Plan document(s) to anyone otherwise unable to access the document(s). The published summary will describe the contents and purpose of the Consolidated Plan document(s), and include a list of the locations where copies of the entire proposed Consolidated Plan may be examined. In addition, CITY will provide a reasonable number of free document copies to citizens and groups that request it.

b. Displacement and Relocation Policies

In accordance with the Uniform Relocation and Real Property Acquisition Policies Act (URA) of 1970, as amended, CITY will take measures to minimize displacement of persons, and to assist any persons displaced, by any HUD-funded activity. As summarized in Exhibit A to this PLAN, the CITY will specify the types and levels of assistance to be made to persons displaced, even if CITY expects no displacement to occur.

6. Amendments to the Consolidated Plan

a. Criteria for Amending the Consolidated Plan

CITY will use the following criteria and procedures to amend the Consolidated Plan. CITY will amend the Consolidated Plan when:

(1) A previously approved Activity is cancelled;
(2) An Activity, not previously approved, is added;
(3) A change would affect the Activity's purpose, scope, location or beneficiaries; or
(4) For Section 108 loans, a change would affect the Activity's purpose, scope, location, beneficiaries or funding.

b. Substantial Amendments

Any of the following actions will require City Council approval to process a Substantial Amendment to the previously approved Action Plan. A Substantial Amendment will occur when:

(1) A new Activity is being funded for the first time. If an Activity was funded in a previous program year, and there is no
significant change in the project (purpose, scope, location or beneficiaries), it is not considered a Substantial Amendment.

(2) A funding change in a current Activity represents:
   (a) More than 10 percent of the jurisdiction's CDBG funds for the current fiscal year; or
   (b) More than 50 percent of the Activity's total HOME funding.

(3) A change in the use of CDBG funds from one eligible Activity to another.

(4) Each Substantial Amendment shall be noticed by the CITY in a local newspaper of general circulation a minimum of 30 days prior to action by the City Council. Depending upon the amendment and/or the project area, the notice may appear in both an English-language and a Spanish-language newspaper that targets the area of interest.

(5) A summary of public comments or views, and a summary of any comments or views not accepted, and the reasons therefore, will be included in the description of the Amendment forwarded to HUD and published in either the Action Plan or CAPER report.

c. Minor Amendments

Less significant Action Plan amendments do not require 30 days of public notice or City Council approval when they meet any of the following criteria:

(1) Total proposed amendment involves less than 10 percent of program year CDBG funding; or

(2) Total proposed amendment involves less than 50 percent of total HOME funding.

Minor Action Plan amendments may be approved administratively by the City Manager. Each such amendment will be incorporated into the Consolidated Plan through publishing in the next Action Plan and/or Consolidated Annual Performance and Evaluation Report (CAPER).
7. Performance Reports
   
a. CITY will provide citizens with reasonable notice and an opportunity to comment on performance reports. Specifically, CITY will provide notice to the public, at least 30 days before any City Council consideration, of the opportunity to comment on a proposed Consolidated Plan, annual Action Plan, annual Consolidated Performance and Evaluation Report (CAPER), and for each proposed Substantial Amendment to an Action Plan.

b. In preparing the Performance Report, the CITY will consider the comments or views of citizens received in writing, or orally at public hearings. A summary of these comments and views shall be attached to the final Performance Report.

8. Public Hearings
   
a. As listed below, during each program year, CITY will hold a minimum of three (3) Consolidated Plan-related public hearings, scheduled at different stages of the program year. Public hearings will address CITY's housing and community development needs, development of proposed activities, and review of program performance.

   (1) Annual Needs Assessment Public Hearing

   Each year (between September and January) and prior to the preparation of an annual Action Plan and/or Consolidated Plan, CITY will hold a Needs Assessment public hearing to provide the public with an opportunity to comment on how CDBG funds, and or other public resources, could be used to address the needs of predominantly Low- and Moderate-Income households.

   (2) Annual Action Plan (or Consolidated Plan) Public Hearing

   Each year (generally in April) the CITY will hold a public hearing, prior to City Council consideration of a proposed Action Plan and/or Consolidated Plan, to receive public comment on how the proposed CDBG or other publicly funded activities will address the needs of CITY's predominantly Lower-Income households. A Consolidated Plan public hearing will be scheduled prior to City Council consideration of a Consolidated Plan that currently occurs every five (5) years.

   (3) Annual Performance Report Public Hearing

(2) Each of the CITY’s public hearings shall be held at times and locations convenient to potential and actual beneficiaries, and with accommodation for persons with disabilities. All CDBG-related public hearings will be scheduled at 6 pm, or shortly thereafter, to accommodate persons who work full-time. Hearing locations shall be within CDBG-eligible census tract block groups, including CITY Hall located at 2100 Thousand Oaks Boulevard.
(3) If a significant number of non-English speaking residents are reasonably expected to participate in one of the CITY's HUD-related public hearings, the CITY will provide an interpreter to assist in translating public hearing testimony.

d. Public Document Notices

(1) In accordance with paragraph 8 (b) of this document, the public shall be notified in advance of the start of a 30-day review period for a HUD-related public document including, but not limited to, a proposed Consolidated Plan, Action Plan, Substantial Amendment, and/or Performance Report.

Residential Anti-Displacement and Relocation Plan

In accordance with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (the “Act”), as amended, and the implementing regulations of the U.S. Department of Housing and Urban Development (HUD) at 49 CFR 24, and as required under Section 104(d) of the Housing and Community Development Act of 1974, as amended, the City of Thousand Oaks certifies that the following provisions are in effect and will be undertaken by the City prior to, and in connection with, any activity, assisted with CDBG or HOME funds, that will result in the displacement and/or relocation of lower-income City residents.

1. The City will replace all occupied and vacant habitable lower-income (“low/moderate-income”) housing units demolished, or converted to a use other than as lower-income housing, in connection with a project assisted with CDBG or HOME funds.

2. All replacement housing will be provided within three (3) years after the commencement of the demolition or conversion. Before entering into a contract committing the City to provide funds for a project that will directly result in demolition or conversion, the City will make public by publication in a newspaper of general circulation and submit to HUD the following information in writing.

   (a) A description of the proposed assisted project.

   (b) The address, number of bedrooms, and location on a map of lower-income housing that will be demolished, or converted to a use other than as lower-income housing, as a result of an assisted project.

   (c) A time schedule for the commencement and completion of the demolition or conversion.

   (d) To the extent known, the address, number of bedrooms and location on a map of the replacement housing that has been, or will be, provided.

   (e) The source of funding and a time schedule for the provision of the replacement housing.

   (f) The basis for concluding that the replacement housing will remain lower-income housing for at least 10 years from the date of initial occupancy.

3. To the extent that the specific location of the replacement housing and other data in items (a) through (f) above are not available at the time of the general submission described in paragraph 2 above, the City will identify the general
location of such housing on a map and complete the disclosure and submission requirements as soon as the specific data are available.

4. The City's Community Development Department (805-449-2393) will be responsible for the following:

(a) Provide relocation assistance to lower-income ("low/moderate income") families and individuals displaced as a result of the conversion or demolition of any lower-income ("low/moderate income") dwelling unit assisted with CDBG or HOME funds.

(b) Maintain records to track the replacement of lower-income housing ensuring that it is provided within the required period.

(c) Make or provide for relocation payments and other relocation assistance to any lower-income person displaced by the demolition of any housing or the conversion of lower-income housing to another use.

5. Consistent with the goals and objectives of activities assisted under the Act, the City will take the following steps to minimize the direct and/or indirect displacement of persons from their homes. The City will:

(a) Coordinate code compliance activities with its residential rehabilitation and housing assistance programs.

(b) Adopt policies to identify and mitigate the displacement of lower-income persons resulting from the construction of new, multi-family housing.

(c) Adopt policies that provide reasonable protections for lower-income tenants faced with conversion of their rental unit or mobile home unit to a condominium or cooperative unit, or to a non-residential use.

(d) Evaluate housing codes and rehabilitation standards for lower-income housing to prevent undue financial burden on established owners and tenants.

(e) Encourage the rehabilitation of lower-income rental units to allow tenants to remain in the building/complex during and after the rehabilitation, working with unoccupied units first.

(f) Arrange for facilities to house persons who must be relocated temporarily during rehabilitation.

(g) Identify and/or establish counseling centers to provide homeowners and tenants with information on assistance available to help them remain in their neighborhood in the face of revitalization pressures.

2019-20 Low-Income Needs Assessment – Administrative Hearing
6:00 p.m., December 17, 2018 – Board Room

Meeting Notes

Call to Order:

Community Development Operations Manager Marjan Behzadi called the meeting to order at 6:00 p.m. 16 persons were present. After a brief welcome, Ms. Behzadi recognized Housing Coordinator Lynn Oshita for staff comments.

Staff Comments:

The City of Thousand Oaks annually receives an entitlement grant from the Federal government known as the Community Development Block Grant (CDBG). These funds are provided by the U.S. Department of Housing and Urban Development (HUD). CDBG funding must be used to primarily benefit lower-income persons or households.

- The July 1, 2019 CDBG grant is estimated to total approximately $558,000. Sixty-five percent of this amount or $362,700 would be available for community development projects. In addition, the City has $31,445 available from prior years that could be allocated to 2019 activities. Therefore, for planning purposes, currently the City expects to have an approximate budget of $394,145 in CDBG funds available for residential rehabilitation and other community improvements from July 2019 through June 2020.

- Now through Tuesday, January 15, 2019, the City is soliciting CDBG funding applications from non-profit agencies seeking an award of CDBG funds to address an unmet need of the lower-income population. The application can be found on the City’s website www.toaks.org on the Community Development page.

- CDBG funds are limited and application process is competitive.

- Both Federal Davis-Bacon laws and State of California prevailing wage laws would apply to all projects that do not involve affordable housing units. The State considers funding to these activity types as a public work project and benefit to the public.

- After receiving CDBG funding applications for 2019-20, staff will evaluate the proposals and prepare a proposed spending plan that is expected to be available for 30 days of public review, as soon as HUD advises the City of the actual dollar amount of the City’s 2019-20 CDBG entitlement grant. The City’s CDBG funding year begins in July 2019 and ends in June 2020.

This past Fall, the City Council took the following actions:
• In October, the City Council declared a shelter crisis in the City under Resolution 2018-067 and has agreed to work collaboratively with the County of Ventura and the 9 other Ventura County cities. The City continues to support a regional coordinated approach in solving the countywide homelessness issue. The City has made this a high priority.

• Last month, the City Council consolidated the Community Grants Programs which included the Social Service Endowment Fund (SSEF) grants. The Social Service Ad Hoc Committee made its last recommendation to Council in June based upon a 2-year grant application for Fiscal Years 2018-19 and 2019-20.

• The new Community Funding Review Committee will conduct an annual review of SSEF grant applications starting with the July 2020 grants.

• CDBG public service grant applications will not be evaluated with this new Community Grants Committee but will be evaluated by City Staff annually.

• The current public service grants are in their 1st year of the 2-year grant application cycle. City Staff will be reviewing and evaluating all current public social grants as it prepares for the proposed 2019 (to) 2020 budget.

In compliance with the City’s “Citizen Participation Plan,” under City Council Resolution 2015-023, this administrative hearing is being held to receive public comment on the needs of the City’s lower-income persons. These needs may potentially be addressed by the City using CDBG funds or another funding resource.

Staff was available to respond to any of your questions about the City’s Low-Income Residents’ Needs Assessment process prior to the opening of the public hearing. Staff provided clarification on the social grant process for FY 2019-20.

Public Comments:

Community Development Operations Manager Marjan Behzadi invited those present to provide comments on the needs of low-income Thousand Oaks residents. Ten speakers were heard. Public comments received are summarized below.

2. **Janet Young**  
**Senior Concerns**  
Organization is a recognized expert and resource to help seniors and family caregivers as they age. Programs include an Adult Day Care, Meals on Wheels and Senior Advocacy which help guide the aging community and their caregivers to age in place at home. Reported in depth on the increasing population and record growth of seniors 65 and up. Thanked the City for support and requested continued funding to help ensure these programs thrive.

3. **Lisa Safaeinili**  
**Westminster Free Clinic**  
Organization primarily serves low-income, working poor individuals and provides free medical, dental, vision and mental health services to low income individuals. Clinic offers training opportunities to the youth which has gained great academic success. Requested that the City consider the working poor families in the Community as it considers funding.

4. **Susan Murata**  
**Hospice of the Conejo**  
Community-based non-profit providing non-medical hospice services and grief support to low income individuals as well as uninsured or underinsured families. In response to an exponential growth in grief support, the organization requested the continued support from the City which is critical for its continued success to help the public.

5. **Merari DeLara, Social Services Manager**  
**Lutheran Social Services**  
Organization that offers a food pantry, housing referrals, dental and vision prescription assistance, eviction prevention and many more programs throughout the Conejo Valley. Works with the Ventura County Sherriff Department to assist the public with homeless outreach. Benefited from assistance from other non-profit agencies such as RAIN, Senior Concerns and Community Conscience.

6. **Robin Britt**  
**Community Conscience**  
Community Conscience houses 13 human service non-profits (3 of which were in attendance) at no cost. Without Community Conscience, these organizations would be forced to cut their services or would no longer be able to operate. As the facility reaches its 30th year, the AC units are of major concern; their failure would ultimately affect the non-profits and their abilities to perform. Requested the City to assist with funding for maintenance of the old AC Units to allow the many agencies that are housed to continue to perform.
7. Jim Wolf  
Senior Alliance for Empowerment (SAFE)  
SAFE is an organization that provides a rehabilitation program for very low-income seniors which reside in mobile home parks, including many veterans. The group has used CDBG funds for new roofs and windows. Thanked the City for their support and mentions how vital it is to have the City’s financial support to continue to assist these individuals.

8. Jason Meek, Executive Director  
Turning Point Foundation/Safe Haven  
Non-profit dedicated primarily to serve the homeless population suffering from mental illness. Safe Haven, is the only 24 hr. behavioral health shelter in the County. Thanked the City for their support and continued funding would help their 14 robust programs with ongoing operations, case management, outreach and treating individuals holistically. In 2017 their Thousand Oaks goal was exceeded by 50 percent.

9. Megan Glynn, Chief Officer  
Southeast Ventura County YMCA  
Last year, organization introduced a summer program at Conejo Elementary School, dedicated to children of lower income families which included targeted programs with credentialed teachers, crafts and field trips. cdd:480-10/ H:\COMMON\Housing & Redevelopment\2022 CDBG\2019 AP AMENDMENT\Summary-SA3
September 11, 2020

The Honorable Al Adam
Mayor of Thousand Oaks
2100 E Thousand Oaks Boulevard
Thousand Oaks, CA 91362-2996

Dear Mayor Adam:

I am pleased to inform you of a special allocation to your jurisdiction of Community Development Block Grant funds to be used to prevent, prepare for, and respond to the coronavirus (COVID-19). This allocation was authorized by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), Public Law 116-136, which was signed by President Trump on March 27, 2020, to respond to the growing effects of this historic public health crisis.

The CARES Act made available $5 billion in Community Development Block Grant Coronavirus (CDBG-CV) funds. Of this amount, the Department immediately allocated $2 billion on March 27, 2020, the same day President Trump signed the Act, based on the fiscal year 2020 CDBG formula; this constituted the first round of CDBG-CV funds. Next, $1 billion was required by the Act to be allocated to States and insular areas within 45 days of enactment of the Act; HUD accomplished this on May 11, 2020, and this constituted the second round of CDBG-CV funds. Finally, the remaining $2 billion in CDBG-CV funds was required by the Act to be allocated to states and local governments at the discretion of the Secretary on a rolling basis; HUD accomplished this on September 11, 2020, and this constituted the third round of CDBG-CV funds. Additionally, up to $10 million will be set aside for technical assistance.

Accordingly, this letter informs you that your jurisdiction’s allocation for the third round is $779,104. Your cumulative amount for all allocation rounds is $1,119,120.

The CARES Act adds additional flexibility for both the CDBG-CV grant and, in some cases, for the annual FY2019 and FY2020 CDBG grants in these unprecedented times. The public comment period is reduced to not less than 5 days, grantees may use virtual public hearings when necessary for public health reasons, the public services cap is suspended during the emergency, and States and local governments may reimburse costs of eligible activities incurred for pandemic response regardless of the date.

In addition, the CARES Act authorizes the HUD Secretary to grant waivers and alternative requirements of statutes and regulations the HUD Secretary administers in connection with the use of CDBG-CV funds and fiscal year 2019 and 2020 CDBG funds (except for requirements related to fair housing, nondiscrimination, labor standards, and the environment). Waivers and alternative requirements can be granted when necessary to expedite and facilitate the use of funds to prevent,
prepare for, and respond to coronavirus.

The CDBG CARES Act Federal Register Notice (FR-6218-N-01) was released on August 10, 2020. The notice describes the allocations and grant procedures applicable to the CDBG-CV grants. It also describes the program flexibilities, waivers, and alternative requirements that apply to the CDBG-CV grants as well as the fiscal year 2019 and 2020 CDBG grants. As further such flexibilities become available, they will be posted on HUD’s website and distributed to grantees. The Department will also support grantees with technical assistance.

As you develop your plan for the use of these grant funds, we encourage you to consider approaches that prioritize the unique needs of low- and moderate-income persons and the development of partnerships between all levels of government and the private for-profit and non-profit sectors. You should coordinate with state and local health authorities before undertaking any activity to support state or local pandemic response. CDBG-CV grants will be subject to oversight, reporting, and the requirement that each grantee have adequate procedures to prevent the duplication of benefits (DOB). HUD will provide guidance and technical assistance on DOB, the prevention of fraud, waste, and abuse, and on documenting the impact of this program for beneficiaries.

Reminder, all CPD Grantees must ensure they maintain active Dun and Bradstreet Numbering System (DUNS) numbers in the System for Award Management (SAM) system. Entities must have an active and unexpired DUNS before execution of grant agreements to avoid delays in the obligation of funds- which will delay your ability to drawdown funds in the Integrated Disbursement & Information System (IDIS). Grantees are required to maintain an active SAMs registration by re-activating their DUNS number annually in the SAM system for the entire drawdown period of their grants. DUNS numbers can be registered and renewed each year at the following website: https://www.sam.gov/SAM/.

The Office of Community Planning and Development (CPD) is looking forward to working with you to successfully meet the urgent and complex challenges faced by our communities. If you or any member of your staff has questions, please contact your local CPD Field Office Director or CPDQuestionsAnswered@hud.gov.

Sincerely,

John Gibbs
Acting Assistant Secretary
for Community Planning and Development
U.S. Department of Housing and Urban Development

MEMORANDUM FOR: All Community Planning and Development Field Office Directors, Deputy Directors and Program Managers

FROM: John Gibbs, Assistant Secretary, Acting, D

SUBJECT: Availability of a Waiver and Alternate Requirement for the Consolidated Annual Performance and Evaluation Report (Performance Report) for Community Planning and Development (CPD) Grant Programs in Response to the Spread of Coronavirus

This memorandum authorizes and explains a waiver of the regulatory requirement at 24 CFR 91.520(a), that within 90-days of the end of a jurisdiction’s program year a grantee shall submit to HUD a performance report known as the Consolidated Annual Performance and Evaluation Report (CAPER). The CAPER is associated with several CPD grant programs. Please disseminate this memorandum to all affected grantees.

As a result of the COVID-19 virus, a majority of States have declared a state of emergency with most shutting down large gathering places and limiting the movement of residents. More State and local governments are operating under extenuating circumstances and may need additional time for certain administrative requirements.

Under the authority of 24 CFR 5.110 and 24 CFR 91.600, HUD may, upon a determination of good cause and subject to statutory limitations, waive regulatory provisions. As Acting Assistant Secretary for Community Planning and Development, I have determined that there is good cause to waive the following regulatory requirement for the program year 2019 CAPER, subject to the condition that grantees comply with the modified requirement in the applicability section below:

**Requirement:** The Consolidated Annual Performance and Evaluation Report (performance report) submission to HUD within 90 days after the close of a jurisdiction’s program year.

**Citation:** 24 CFR 91.520(a).

**Explanation:** The regulation at 24 CFR 91.520(a) requires each grantee to submit a performance report to HUD within 90 days after the close of the grantee's program year.

**Justification:** Under the authority at 24 CFR 91.600, HUD is authorized to waive this requirement when a determination of good cause is made and supported by documentation. Given the outbreak of the coronavirus known as SARS-CoV-2 and the extenuating circumstances placed on state and local governments, and citizens, HUD has determined that there is good cause for
waiving this provision. The extenuating circumstances and administrative strain supporting this waiver are well documented in the broad public news coverage related to the outbreak.

**Applicability:** For program year 2019 CAPERs, the requirement that grantees submit a performance report within 90 days after the close of a jurisdiction’s program year is waived, subject to the condition that within 180 days after the close of a jurisdiction’s program year the jurisdiction shall submit its performance report.

We appreciate your efforts in this challenging time. If you need additional information regarding this waiver, please contact your Headquarters program office desk officer(s).

Dear Mayor Adam:

I am pleased to inform you of a special allocation to your jurisdiction of Community Development Block Grant funds to be used to prevent, prepare for, and respond to the coronavirus (COVID-19). This allocation was authorized by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), Public Law 116-136, which was signed by President Trump on March 27, 2020, to respond to the growing effects of this historic public health crisis.

The CARES Act made available $5 billion in Community Development Block Grant Coronavirus (CDBG-CV) funds. Of this amount, the Department is immediately allocating $2 billion based on the fiscal year 2020 CDBG formula. The remaining $3 billion shall be allocated based on needs using best available data, in the following tranches: $1 billion shall be allocated to States and insular areas within 45 days of enactment of the Caress Act, and $2 billion shall be distributed to states and local governments at the discretion of the Secretary. Up to $10 million will be set aside for technical assistance. Given the immediate needs faced by our communities, the Department has announced the first allocation of funds. Your jurisdiction’s allocation is $340,016.

The CARES Act adds additional flexibility for both the CDBG-CV grant and, in some cases, for the annual FY2020 CDBG grants in these unprecedented times. The public comment period is reduced to not less than 5 days, grantees may use virtual public hearings when necessary for public health reasons, the public services cap is suspended during the emergency, and States and local governments may reimburse costs of eligible activities incurred for pandemic response regardless of the date.

In addition, the CARES Act authorizes the Secretary to grant waivers and alternative requirements of statutes and regulations the Secretary administers in connection with the use of CDBG-CV funds and fiscal year 2019 and 2020 CDBG funds (except for requirements related to fair housing, nondiscrimination, labor standards, and the environment). Waivers and alternative requirements can be granted when necessary to expedite and facilitate the use of funds to prevent, prepare for, and respond to coronavirus.

The Department is developing a notice that will further describes the CARES Act’s provisions, a Quick Guide to the CARES Act flexibilities and other provisions, and other resources to enable swift implementation of CDBG-CV grants. As these become available, they will be
posted on HUD’s website and distributed to grantees. The Department will also support grantees with technical assistance.

As you develop your plan for the use of these grant funds, we encourage you to consider approaches that prioritize the unique needs of low- and moderate-income persons and the development of partnerships between all levels of government and the private for-profit and non-profit sectors. You should coordinate with state and local health authorities before undertaking any activity to support state or local pandemic response. CDBG-CV grants will be subject to oversight, reporting, and requirements that each grantee have adequate procedures to prevent the duplication of benefits. HUD will provide guidance and technical assistance on DOB and regarding prevention of fraud, waste, and abuse and documenting the impact of this program for beneficiaries.

The Office of Community Planning and Development (CPD) is looking forward to working with you to successfully meet the urgent and complex challenges faced by our communities. If you or any member of your staff has questions, please contact your local CPD Field Office Director or CPDQuestionsAnswered@hud.gov.

Sincerely,

John Gibbs
Acting Assistant Secretary
for Community Planning and Development

RESOLUTION NO. 2020-010

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF THOUSAND OAKS RATIFYING THE PROCLAMATION OF THE EXISTENCE OF A LOCAL EMERGENCY AND RENDERING CERTAIN EMERGENCY ORDERS

WHEREAS, California Government Code section 8630 empowers the City Council ("COUNCIL") to confirm the existence or threatened existence of a Local Emergency when City is affected or likely to be affected by a public calamity, while Government Code section 8634 empowers the COUNCIL to promulgate orders and regulations to provide for the protection of life and property; and

WHEREAS, pursuant to Section 4-4.05 of the Thousand Oaks Municipal Code, the Director of Emergency Services has proclaimed (Exhibit A) an emergency and is requesting the COUNCIL to ratify the existence of a Local Emergency; and

WHEREAS, international, national, state, and local health and governmental authorities are responding to an outbreak of a respiratory disease caused by a novel coronavirus named "SARS-CoV-2" and the disease it causes has been named "coronavirus disease 2019," abbreviated COVID-19; and

WHEREAS, the Centers for Disease Control and Prevention (CDC) announced on February 25, 2020 that community spread of COVID-19 is likely to occur in the United States; and on March 11, 2020, World Health Organization (WHO) declared COVID-19 as a pandemic; and

WHEREAS, on March 4, 2020, the Governor of the State of California declared a state of emergency to make additional resources available and formalize emergency actions; and

WHEREAS, on March 12, 2020, the Governor of the State of California ordered cancellation of gatherings over 250 statewide and further called for canceling or postponing even smaller gatherings where those attending cannot keep six feet apart from each other, and limiting groups of older or unhealthier people more vulnerable to the disease to no more than 10; and

WHEREAS, on March 12, 2020, the County of Ventura declared a local health emergency and further declared that there is an imminent and proximate
threat of COVID-19 spreading in the County of Ventura and a threat to the public health of County residents; and

WHEREAS, on March 13, 2020, President Trump declared a national emergency in response to the COVID-19 outbreak under both the National Emergencies Act and under the Stafford Disaster Relief and Emergency Assistance Act; and

WHEREAS, on March 16, 2020, the Governor of the State of California issued Executive Order N-28-20 reconfirming the State of Emergency in California as a result of the threat of COVID-19, the additional economic impact the virus is causing to businesses and housing matters, and the need for local jurisdictions to determine, based on their particular needs, additional measures to promote housing security and stability as well as assist commercial tenancies; and

WHEREAS, the Governor’s Executive Order N-29-20 suspends any state law that would preempt or otherwise restrict a local government’s exercise of its police power to impose substantive limitations on residential or commercial evictions in circumstances where the basis for the eviction is nonpayment of rent or a foreclosure arising out of a substantial decrease in household or business income caused by the COVID-19 pandemic or by any federal, state, or local government response to COVID-19; and

WHEREAS, as a result of the Local Emergency and the precautions recommended by health authorities, many residents in the City of Thousand Oaks have or may soon experience sudden and unexpected income loss; and

WHEREAS, the Governor of the State of California ("Governor") has stated that individuals exposed to COVID-19 may be temporarily unable to report to work due to illness caused by COVID-19 or quarantines related to COVID-19, and such individuals and their families may experience potential loss of income, health care and medical coverage, and ability to pay for housing and basic needs, thereby placing increased demands on already strained regional and local health and safety resources, including shelters and food banks; and

WHEREAS, the Governor of the State of California is expected to continue to issue Executive Orders to combat COVID-19 that will mandate or authorize local agencies such as CITY to enact additional regulations consistent with federal and State law to protect the health, safety, and welfare of residents; and

WHEREAS, COVID-19 has already demonstrated its deleterious impact on human health internationally, nationally, and in other counties in the State of California; and

Res. No. 2020-010
WHEREAS, the COUNCIL does hereby find that the conditions of extreme peril which severely impairs the safety of persons and/or property and likelihood of conditions being beyond the control and capacity of City services, personnel, equipment and facilities, have arisen within the CITY caused by the COVID-19 pandemic (Proclamation 2020 attached as Exhibit A), said cause commencing on or about 6:00 p.m. on March 12, 2020; and

WHEREAS, the aforesaid conditions of extreme peril warrant and necessitate the ratification of the proclamation of the existence of a Local Emergency.

NOW, THEREFORE, IT IS HEREBY PROCLAIMED, ORDERED AND RESOLVED by the Thousand Oaks City Council that:

1. The Proclamation of a Local Emergency made on March 12, 2020 by the Director of Emergency Services is hereby ratified and a Local Emergency now exists throughout the City of Thousand Oaks, California;

3. A request for Mutual Aid for emergency services, sheltering, evacuation, and restoration is authorized and shall be made to City, County, State and Federal agencies. This Declaration of a Local Emergency is intended to satisfy any local, state or federal law or regulation requiring such a declaration as a prerequisite or requirement for mutual aid or cooperation. This Declaration also hereby activates any and all existing CITY Emergency Plans, and authorizes the Director of Emergency Services to amend such plans in writing as necessary;

4. During the existence of said Local Emergency, City shall follow and impose all directives, mandates, Executive Orders and any other emergency related restrictions issued by the federal government, State of California and/or the County of Ventura, including any and all social distancing and other preventative measures. The Director of Emergency Services may order more stringent requirements consistent with federal, State, and local law;

12. Consistent with California Governor's Executive Order N-28-20, a temporary moratorium on eviction for non-payment of rent by residential tenants impacted by the COVID-19 crisis is imposed. The City Manager and City Attorney shall promulgate regulations and processes to implement this moratorium;

13. The content of this resolution shall be given widespread publicity and notice as is reasonable and feasible under these circumstances; and

14. This Local Emergency shall continue until it is terminated by proclamation of the COUNCIL. Pursuant to Section 8630 of the Government Code, the COUNCIL shall proclaim the termination of a local emergency at the earliest possible date that conditions warrant. The need for continuing this local emergency shall be reviewed within 60 days by the COUNCIL, and at each regular COUNCIL meeting thereafter.

Exhibit A
Requests for CDBG Funding

From November 1, 2018 through January 15, 2019, the City solicited public comments and applications from community stakeholders for potential CDBG-funded activities that would address the unmet needs of at-risk Thousand Oaks residents. During this period the City held an administrative Needs Assessment public hearing on Monday, December 17, 2018. Ten speakers provided testimony on the needs of the low-income persons in the city. At the end of the Need Assessment period, the City received one written comment.

Community Development Project Applications

The City received 7 Community Development project proposals during the Need Assessment period. Due to a shortage of housing, extremely low vacancies and the high cost of living in the City, many families and individuals continue to experience housing insecurity, homelessness, and risk of becoming homeless. The preservation of existing multi-family and single-family affordable housing units is one of the highest priority needs for the City, now that redevelopment funding has been eliminated, the City no longer has the resources to invest in apartment acquisition or construction.

Public Service Applications

Within the CDBG HUD program, a maximum of fifteen percent (15%) of total annual funding may be used for public service activities. The Social Service Ad Hoc Committee (SSAHC) made its last recommendation to Council in June 2018 based upon a 2-year grant application for Fiscal Years 2018-19 and 2019-2020 which included the Social Service Endowment Fund (SSEF) and CDBG Public Service funded grant activities. The following list identifies the public service applications received.

There is a need for the City to support the local delivery of essential public and social services to primarily the vulnerable population including persons who are homeless or at risk of homelessness, and very low-income persons and households. The number of persons seeking services increases yearly, particularly for seniors and disabled persons.

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

Following a Plan -- It is following a current consolidated plan that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).

2. Overall Benefit. The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program year(s) 2020-21 (one year) [a period specified by the grantee of one, two, or three specific consecutive program years], shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
