

## City of Thousand Oaks Waste Service for Multi-Family and Mixed-Use complexes with Centralized Bin Service

Athens Services is the exclusive provider of scheduled collection and recycling services in Thousand Oaks. Rates are set by City Council. Service for Multi-Family complexes with centralized bins (MFD-C) and Mixed-Use (MXD) complexes is provided as a bundled service (trash, recycling, and organics), allowing for cost-effective compliance with state mandatory recycling legislation. Contact Athens Services to subscribe or adjust service, or for any solid waste collection inquiries. The Athens Sustainability Center is located at 2251 East Thousand Oaks Blvd. for walk-ins, Monday – Friday, 8:00 a.m. – 5:00 p.m.

### **Large Item Pickup**

Residents living in MFD-C and MXD complexes may receive Large Item collection service one (1) time per month on a designated date, at a designated location within the MFD-C or MXD complex. Athens Services shall work with the owner or property manager of each complex to arrange for a monthly Large Item Collection date. On each such Collection date, Athens shall collect all Large Items placed for Collection at the designated location at no charge.

Large items (or “Bulky Waste”) are oversized or overweight household articles that do not fit in a regular trash container such as appliances, furniture, tires, carpets, mattresses, and similar large items, and require special handling due to their size but can be collected and transported without the assistance of special loading equipment (such as forklifts or cranes). It does not include abandoned automobiles and other vehicles.

Contact Athens Services for additional details and to schedule a free bulky item pick-up.

### **Household Hazardous Waste Home Collection**

Household Hazardous Waste (HHW) home collection is available to residents living in Multi-Family and Mixed-Use dwellings free of charge up to four times per year.

Leftover household products that contain corrosive, toxic, ignitable, or reactive ingredients are considered HHW, and include products such as cleaners, oils, paint, batteries, automotive fluids, fluorescent lights and pesticides that require special handling and should not be disposed in a regular trash container.

Contact Athens Services for additional information and to arrange for HHW home collection.
