

**CITY OF THOUSAND OAKS
PUBLIC WORKS DEPARTMENT**

ROUGH GRADING INSPECTION CERTIFICATION

Needed prior to building permit issuance.

Entitlement # _____ Grading Permit # _____ Lot #(s) _____

Job Location _____ Owner _____

CERTIFICATION BY GRADING CONTRACTOR

I certify that the project site has been rough graded so that the earthwork complies with the City of Thousand Oaks Grading Ordinance and approved plans, and is in conformance with the recommendations of the supervising civil engineer, soils engineer and the engineering geologist.

Contractor _____ License # _____ Date _____
(Original Signature)

CERTIFICATION BY SOILS ENGINEER

I certify that the earth fills placed on the project site were installed upon competent and properly prepared base material and compacted in compliance with requirements of the City of Thousand Oaks Grading Ordinance. I further certify that where the report(s) of an engineering geologist, relative to this site, have recommended the installation of buttress fills or other similar stabilization measures, such earthwork construction has been completed in accordance with the approved design. See report(s) dated _____ for compaction test data, recommended allowable soil bearing value(s) and other special recommendations.

Expansive Soil ___ yes ___ no Lot # (s) _____
Buttress Fills ___ yes ___ no Lot # (s) _____
