

City of Thousand Oaks

# Traffic and Transportation Advisory Commission

## Board Details

The role of the Traffic and Transportation Advisory Commission (TTAC) is to gather and review information relating to traffic issues, identify traffic problems and needs of residents, develop and recommend local and regional transportation needs and propose solutions to City Council; Citizen members appointed by City Council represent broad geographical areas of the City.

TTAC consists of five members. City residency is required. Conflict of Interest filing is also required.

Members serve 4-year terms concurrent with nominating Councilmember.
