

THOUSAND OAKS CITY COUNCIL

Supplemental Information Packet

**Agenda Related Items - Meeting of October 26, 2021
Supplemental Packet Date: October 26, 2021**

5:00 p.m.

Supplemental Information:

Any agenda related public documents received and distributed to a majority of the City Council after the Agenda Packet is printed are included in Supplemental Packets. Supplemental Packets are produced as needed, typically a minimum of two—one available on the Thursday preceding the City Council meeting and the second on Tuesday at the meeting. The Supplemental Packet is available for public inspection on the City's website at toaks.org/agendas or by contacting the City Clerk Dept at (805) 449-2151 during normal business hours [main location pursuant to the Brown Act, G.C. 54957.5(2)].

Americans with Disabilities Act (ADA):

In compliance with the ADA, if you need special assistance to participate in this meeting or other services in conjunction with this meeting, please contact the City Clerk Department at (805) 449-2151. Assisted listening devices are available at this meeting. Ask City Clerk staff if you desire to use this device. Upon request, the agenda and documents in this agenda packet, can be made available in appropriate alternative formats to persons with a disability. Notification at least 48 hours prior to the meeting or time when services are needed will assist City staff in assuring reasonable arrangements can be made to provide accessibility to the meeting or service.

Name	City	Item #	In favor/ Opposed	Comment
Shannon Swanson	Thousand Oaks	10A	In favor	Dear City Council, My name is Shannon Swanson, I'm a Thousand Oaks resident. I was raised here, and I moved back here from Los Angeles to raise my family here. I participated as a stakeholder for the City's Climate & Environmental Action Plan. Having attending all of those meetings, my appreciation for the City of Thousand Oaks has grown even more than before. We have a very robust Public Works office, and we have very smart, caring individuals working together to make our community cleaner, and safer. It is well known that our community has a love for our local open spaces, and our clean air, and it is very clear to me that our Public Works office feels the same. Tonight is an important moment for our town. We have the opportunity to be an example for other cities. We have the opportunity to show how to care for our local environment, including open spaces, to build a path that promotes a healthier community, with cleaner air, an opportunity to be more prepared for the inevitable natural disasters that have and will hit us such as wildfires. Please support the CEAP, the stakeholders and community members that are counting on you, and the Public Works office that have worked so hard. For my friends and I, it is essential that our city is thinking ahead and making wise choices in regards to our climate & environment. Together we can make a community that is sustainable for years to come.
Wilson Hago		10A	In favor	I am writing in support of the Climate and Environmental Action Plan. The climate crisis is upon us, and any further delay will only make adaptive measures down the road so much more painful. It behooves us being as prepared as possible for the climate crises to come.
Jennifer Ross	Simi Valley	10A	In favor	I support and appreciate the work of the city's CEAP public engagement activities. I applaud the success of its comprehensive approach to addressing climate change. This is a good start; however, the City of Thousand Oaks, in addition to all other cities, need to do more and faster for emission reductions to mitigate the current Climate Emergency. Thank you!
