

NEW WASTEWATER RATES EFFECTIVE JULY 1, 2022

**NEW Single-Family Residential
Monthly Rate:**

\$ 30.85

Effective July 1, 2022, the rate for wastewater service will be adjusted by a 3% increase.

Single-family residential wastewater service charges are billed via the Ventura County property tax bill.

Wastewater rates adequately fund maintenance, capital improvements, and help to ensure that reserve fund balances are met.

NEW WATER RATES EFFECTIVE MARCH 1, 2022

Metered Charges (bi-monthly)	Prior Rate	March 1, 2022
Tier 1 (0-24 units)	\$5.24 / unit	\$5.25 / unit
Tier 2 (25-60 units)	\$5.58 / unit	\$5.82 / unit
Tier 3 (61+ units)	\$6.00 / unit	\$6.15 / unit
Pumping (per lift)	\$0.22 / unit	\$0.40 / unit

(1 unit = 748 gallons of water)

Fixed charges: the bi-monthly meter base rate charge for residential customers* is adjusted by \$0.82, from \$52.18 to \$53.00.

Your first bill may include charges for service provided prior to the rate change and utilizing calculations at both the former and current rates.

Rate adjustments offset increases in the cost of imported water, as well as operations maintenance, repair, improvement, and replacement costs.
